10:50:51 From Lisa Phifer : Note the one hour slots are not just presentation but presentation plus review team discussion of findings/assessment, any problems identified, and any recommendations suggested

10:54:50 From Lisa Phifer : +1 Alan you're right!

11:00:33 From Lisa Phifer : I think we will be missing some entirely - for example, LEA Needs. Others will be the rapporteur's first draft of findings.

11:03:36 From Lisa Phifer : Is there a need to revise the work plan?

11:17:16 From susankawaguchi : Agree with 2 days

11:17:33 From Lisa Phifer : Note that a meeting in September virtually ensures the year-end deadline will be missed

11:18:27 From Brenda Brewer : Your input is important. Please see survey for using the Zoom web tool. <https://www.surveymonkey.com/r/NM82XJS>

11:20:47 From Alice Jansen : I think we need to start counting the number of times we use "subgroup" per call/day :-)

11:22:14 From Lisa Phifer : Brenda, you might encourage those new to Zoom to attend early...
