09:06:02 From Brenda Brewer : Hello Stephanie

09:06:31 From erikamann : It is indeed mentioned there Alan

09:06:38 From stephanieperrin : thanks Brenda, just checking

09:08:00 From erikamann : I doubt that the people who invented this process did not reflect upon logical paths

09:13:10 From stephanieperrin : I find the whole process profoundly disrespectful of the volunteers who have contributed to this review.

09:13:52 From stephanieperrin : Even if there were some legal reasons tied to the litigation being discussed today by the Board, to discontinue this review, we are owed at least a briefing if not a consultation.

09:16:05 From stephanieperrin : Furthermore, we are deliberating at the moment on another face to face in Brussels. Committing to ICANN travel for most of us, means a lot of logistical work related to balancing our real lives, not mention budget allocation to cover all the things not covered by ICANN travel support. Adds to my disenchantment with the MS model at its current level of maturity.

09:21:19 From stephanieperrin : Totally agree that the community is overwhelmed. Also agree that TS should show us the respect of a briefing.

09:22:54 From erikamann : I agree with Susan

09:25:09 From erikamann : No

09:28:49 From erikamann : I agree

09:28:55 From erikamann : We should respond

09:30:48 From erikamann : Okay

09:31:24 From Dmitry : I would prefer not to move.

09:31:26 From Lili SUN : It's fine.

09:38:16 From Lili SUN : Yes, for Law Enforcement Needs subgroup, I'm not confident we could present the draft report by 8 June.

09:39:55 From stephanieperrin : i agree

09:40:20 From erikamann : I agree

09:40:28 From Chris Disspain : Hello All...Apologies for being late

09:43:49 From susankawaguchi : Is it possible for everyone on the call to do the doodle poll right now?

09:45:53 From Alice Jansen : <https://doodle.com/poll/r762twzaxbw4knuk>

09:46:00 From Chris Disspain : I can attend that week except Friday

09:46:38 From erikamann : I haven't seen this poll. These dates are nearly impossible for me.

09:47:21 From Alice Jansen : hi Erika, you responded to the doodle poll through comment box.

09:49:36 From susankawaguchi : My call failed trying to dial back in

10:02:07 From Lili SUN : it's clear to me.

10:03:15 From Chris Disspain : thanks everyone..

10:04:38 From stephanieperrin : I would recommend that you extend the deadline beyond May 25 for Volker. Registrars are busy complying with GDPR and assessing the latest interim model....

10:06:59 From Lili SUN : Bye all
