Please note RED EDI is registered in Argentina, but the website shows activity in more than 10 countries in the region. Staff requested applicant describe their activity in relation to those countries and if they have members in those countries.

As per 17 April 2018 email:

ES

“La RED EDI tiene integrantes denominados corresponsales que son los que dirigen en sus países las actividades de la misma.”

“Llevamos adelante congresos, charlas, campañas de concientización en distintos países de Latinoamérica, cada país cuenta con uno o varios corresponsales que son los que están a cargo de la misma, es una ONG Argentina con miembros de distintos países lo que nos ha permitido tener una proyección mucho más amplia que la inicial.”

EN

“The EDI NETWORK has members called correspondents who are the ones who direct their activities in their countries.”

“We carry out congresses, talks, awareness campaigns in different countries of Latin America, each country has one or several correspondents who are in charge of it, it is an Argentine NGO with members from different countries which has allowed us to have a projection much wider than the initial one.”

d. Are the leaders of your organization, as individuals, involved in other similar organizations or entities?

Yes

If yes, please say which ones:

no sabría decir si son similares pero si Barbara Peñaloza, Analia Martinez, Natalia Toranzo y Guillermo Zamora forman parte de una ONG llamada Conciencia en Red y Marina Benitez Demstchenko se encuentra en Feminismo Activista Digital

I can not say if they are similar but if Barbara Peñaloza, Analia Martinez, Natalia Toranzo and Guillermo Zamora are part of an NGO called Conscience on the Net and Marina Benitez Demstchenko is in Digital Activism Feminism

As per 17 April 2018 email:

ES

“Habiendo chequeado nuevamente ambas organizaciones, puedo señalar que Activismo Feminista Digital y Conciencia en Red NO lleva adelante como OBJETO PRINCIPAL de sus estatutos cuestiones relativas a Gobernanza de Internet, no obstante ello, Activismo Feminista Digital Si ha tenido participaciones en algunos temas relacionados a Gobernanza de Internet.”

“La Red EDI involucra actores de distintas áreas, dentro de las cuales también se encuentra la Gobernanza de Internet, yo personalmente he participado de actividades de LACRALO hace algunos años atrás en un meeting de Puerto Rico a través de otra organización llamada ADIAR, la pregunta de si la RED o algunos de sus miembros tienen afiliación con la Gobernanza de Internet es de ambas respuestas SI y NO, SI porque algunos de sus miembros y entidades Asociadas participan o han participado, NO porque no es su objeto principal.”

EN

“Having checked again both organizations, I can point out that Digital Feminist Activism and Network Conscience DOES NOT carry forward as a MAIN OBJECT of its statutes issues related to Internet Governance, however, Digital Feminist Activism If you have had participation in some topics related to Governance of Internet.”

“The EDI Network involves actors from different areas, within which Internet Governance is also found, I have personally participated in LACRALO activities a few years ago in a meeting in Puerto Rico through another organization called ADIAR, the question of if the NETWORK or some of its members have affiliation with the Internet Governance is of both answers YES and NO, YES because some of its members and Associated entities participate or have participated, NOT because it is not its main object.”

Objectives

a. Please describe your Organization’s mission and purpose (please post in the text box below or provide a URL, if posted):

Es nuestro objetivo primordial ser un Centro de Información, un punto de encuentro donde poder obtener la visión local y global de cuestiones relativas al Derecho Informático.-

"El Derecho Informático" pretende ser un lugar para el debate y el conocimiento, un ámbito donde podamos relacionarnos e informarnos, a futuro seremos una fundación, y apuntaremos a tener acciones directas respecto de hechos o realidades en diferentes países, para ello, los corresponsales serán los encargados de transmitirnos esas realidades y llegar a ellas.-

La Red es en definitiva, una comunidad de profesionales del derecho y las nuevas tecnologías, con el fin último de brindar lugar común donde poder mantenerse actualizado, compartir experiencias, realizar consultas, participar de debates, expresar opiniones y sobre todo, mejorar nuestras relaciones humanas.

Los objetivos sociales de la Red serán los siguientes: Promover y difundir estudios e investigaciones en el campo del Derecho Informático y Nuevas Tecnologías, como disciplinas autónomas; Organizar Ateneos, Cursos, Congresos y otras actividades relacionadas con el Derecho Informático y Nuevas Tecnologías; Realizar encuentros interdisciplinarios como método para investigar la problemática jurídica, social, Informática, y de otras Ciencias y Afines o Conexas; Crear comisiones para el estudio, creación y desarrollo de normas e instituciones vinculadas al Derecho Informático y Nuevas Tecnologías; Estudiar y proponer mejoras en los códigos de fondo y de forma, tendientes a su agilización y jerarquización; Colaborar con el Poder Judicial y con los Magistrados para lograr un mejor funcionamiento de los diversos Tribunales, tanto en su organización y estructura funcional como edilicia;

Fomentar el espíritu de solidaridad y consideración entre los abogados, y/o profesionales e interesados en la temática, cualesquiera fueran las funciones que ejerza; Realizar publicaciones en la medida de lo posible que reseñen las actividades de la entidad y difundan noticias relacionadas con el Derecho Informático y Nuevas Tecnologías. Promover la edición de libros de la especialidad y actividades editoriales. Las actividades que desarrollen los miembros del sitio web de la Red para colaborar con la difusión de la misma, no comprometerán los fines ni los propósitos de la misma. Otorgar becas para el estudio de temas relaciones al objeto de esta Red. Promover y desarrollar actividades relacionadas con el Gobierno Electrónico, el Gobierno, Abierto, La gobernanza de Internet, el Derecho Informático, la informática forense y materias similares y afines a estas.-

It is our primary objective to be a Information Center </ strong>, a meeting point where you can get a local and global view of issues related to Computer Law.-

" The Computer Law </ strong>" aims to be a place for debate and knowledge, an area where we can relate and inform ourselves, in the future we will be a foundation, and aim to have direct actions regarding facts or realities in different countries, for this, the correspondents will be in charge of transmitting those realities and reach them.-

The Network is ultimately a community of law professionals and new technologies, with the ultimate goal of providing a common place where you can stay updated, share experiences, make consultations, participate in debates, express opinions and above all, improve our human relationships .

The social objectives of the Network will be the following: Promote and disseminate studies and research in the field of Computer Law and New Technologies, as autonomous disciplines; Organize Athenaeums, Courses, Congresses and other activities related to Computer Law and New Technologies; Conduct interdisciplinary meetings as a method to investigate legal, social, computer, and other related and related issues; Create commissions for the study, creation and development of norms and institutions related to Computer Law and New Technologies; Study and propose improvements in the background and form codes, tending to streamline and rank them; Collaborate with the Judicial Power and with the Magistrates to achieve a better functioning of the different Courts, both in their organization and functional structure as well as in the building; To promote the spirit of solidarity and consideration among lawyers, and / or professionals and interested in the subject, whatever the functions that may be exercised; Make publications to the extent possible to review the activities of the entity and disseminate news related to the Computer Law and New Technologies. Promote the publication of specialty books and editorial activities. The activities developed by the members of the web site of the Network to collaborate with the diffusion of the same, will not compromise the aims nor the purposes of the same.
