Q & A

NCUC Africa

Africa

Representative at the Executive Committee: Ines Hfaiedh

Membership base ...

Activities and Regional Goals:

2017: Two day NCUC outreach in Johannesburg with the digital rights community focusing on WS2, Geonames, and other PDPs.

2018: Supporting the members continuous engagement in subjects such as RDS, NomCom review and participation at the NCSG Policy Committee.

Continuous engagement:
National and Regional Governance Forums

Mobilize

- Mobilize civil society actors to participate in ICANN, including its working groups and other processes.

Policy Development

- Develop and advocate policy positions

Represent

- Elect representatives to the GNSO Council, which coordinates the policy development process for gTLDs

Collaborate

- Collaborate and interact with other stakeholders in ICANN on matters of common concern, including businesses, governments, and others

Outreach and Capacity building

- Build the volunteer base, in the participation of Civil societies
- NCUC policy course

NCUC's Goals for 2018

NCUC's Goals for 2018

1

Policy Work

Increase Members engagement in our policy work via mapping exercises.

3

Capacity Building

Consolidate and improve NCUC's capacity building efforts.

2

Working Groups

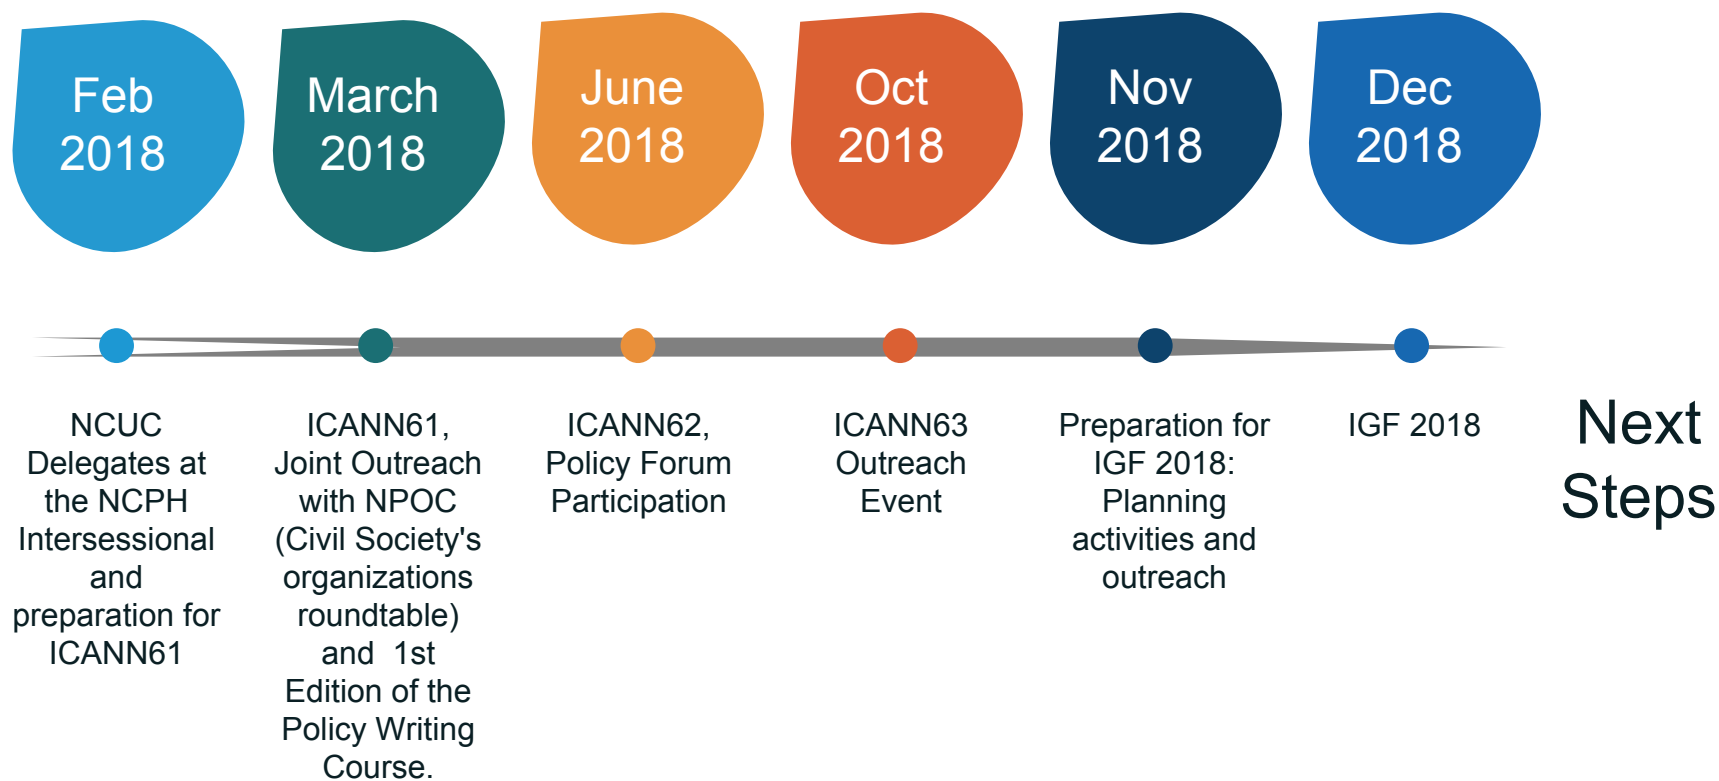

Increase the constituencies participation in Working Groups and PDPs through Mentorship of members.

4

Partnerships

Identify opportunities and form alliances with strategic members and partner organizations.

ICANN Year

To Summarize

The main goal for NCUC in 2018 is to deepen the continuous engagement of members, have more participation in policy development processes and to identify partnership opportunities for the future.

How to Join and participate

Getting started

Join NCUC!

Subscription form on NCUC website

Buddy Pilot program

onboarding and knowledge sharing method that involves assigning new members to NCUC buddies/mentors.

Working groups

- Several standing and ad hoc working teams exist to address specific administrative or functional issues within NCUC. Any member can join
- Contributing in public comments
