CCT Leadership Meeting with New gTLD Subsequent Procedures PDP WG Leadership

09:18:58 From Brenda Brewer : Good day all! Welcome to CCT Leadership Meeting with New gTLD Subsequent Procedures PDP WG Leadership.

09:19:19 From Brenda Brewer : Today's meeting is recorded. Please mute when not speaking.

09:37:16 From Jeff : Is there an expected timeline for the release of the final CCT report

09:41:00 From Cheryl Langdon-Orr : so that means both our *significant* reports will be out for PC in parallel.

09:41:56 From Jordyn A. Buchanan : I think that's probably good because they interact and cover similar territory.

09:42:03 From Jordyn A. Buchanan : So it's helpful for people to see them side by side.

09:44:46 From Jeff : what is measures76 ;)

09:45:07 From Jean-Baptiste Deroulez : 76 is a footnote, that appears under ppt, but not pdf unfortunately...

09:45:30 From Jeff : ah. does 76 refer to actual measures that could be employed

09:45:32 From Cheryl Langdon-Orr : agreed but both are extensive so we will have reviewing communities with the challenges of their very limited time and so they will no doubt need longer (extended) PC times... we should predict and plan for that

09:51:57 From Cheryl Langdon-Orr : I think that would be helpful Drew

09:57:54 From Jordyn A. Buchanan : Certainly taking everything in the critical path to future gTLDs and consolidating that implementation should go together.

09:58:18 From Jordyn A. Buchanan : Probably not me. :-)

09:58:27 From Jeff : Sorry Jordyn you will never get out

09:58:40 From Cheryl Langdon-Orr : thanks Jonathan that makes sense to me

09:58:49 From Jeff : All sounds good

09:59:49 From Jordyn A. Buchanan : I've got a hard stop in 20 seconds, unfortunately.

10:00:05 From Jordyn A. Buchanan : Hopefully can review slides or any other content offline.

10:00:30 From Cheryl Langdon-Orr : thx Jordyn

10:00:40 From Jonathan Zuck : We just had an at large call on how to parse it up.

10:02:53 From Cheryl Langdon-Orr : we have therefore we hope allowed for (forced) agility before a call for consensus and recommendations in our Final Report

10:03:36 From Jonathan Zuck : Special rubber room?

10:04:49 From Jonathan Zuck : GDPR

10:04:56 From Cheryl Langdon-Orr : 😊

10:07:03 From steve.chan : that's it Jeff

10:07:17 From steve.chan : We also have a separate document that shows the topic breakdown

10:07:23 From steve.chan : If you want to display that

10:08:04 From Cheryl Langdon-Orr : may as well if it is easy Steve

10:08:20 From Jonathan Zuck : fun

10:09:50 From Cheryl Langdon-Orr : Jonathan can manage the complaint and grumbling

10:11:56 From Cheryl Langdon-Orr : nothing jumps up to me

10:12:57 From steve.chan : Correct Jeff

10:13:40 From steve.chan : WT5 cross community sessions are also on day 1 and day 4, one 90 block each.

10:13:48 From steve.chan : *90 minute*

10:15:07 From Cheryl Langdon-Orr : that would be very helpful JZ

10:16:00 From steve.chan : And he promised to sing, on record ;)

10:16:36 From Cheryl Langdon-Orr : bye 🙋
