About the ccNSO

ICANN Supporting Organisation and Decisional Participant

As such, the ccNSO must carry out responsibilities as required and mandated by the ICANN bylaws

Global platform for ccTLD managers to

1. Undertake policy and policy-related work
2. Cooperate and learn
3. Engage with and be informed about other stakeholders in the ICANN environment on topics of mutual interest
Why OISC?

Outreach
“\textit{I tell you my story}”
Outbound
One way

Involvement
“\textit{If you involve me, I will do whatever I can for you and with you because I care.}”
working collaboratively with and through groups of people affiliated by geography, special interest or similar
to address issues affecting the well being of those people.
two ways
OISC ensures

A continued and ongoing coordinated approach

Outreach and involvement efforts focused on ccNSO and ccTLD community

Awareness of and involvement in the Platform
1. Policy and policy-related work
2. Cooperate and learn
3. Engage with and be informed about other stakeholders on topics of mutual interest
