REGISTRY'S RESPOND TO THE PANDEMIC 2020-2021

Before lockdown: from in-office work to hybrid work model

To avoid public transport, the company provided transportation for the employees by company's cars

After lockdown: from hybrid work model to remote work

From face-to-face meetings to Zoom and Teams meetings

Bio Security training

CAUCASUS ONLINE 2022

- Hybrid/remote work model didn't cause any interruption
- New registrars joined
- Conducted Eastern European DNS Forum online
- Registrations grew
