- ...

Tutorials and mini-courses
Other initiatives

- Cisco Netacad
- Lives IntraRede
- Podcast Camada 8
- IX Regional Forums
- ...

Other initiatives
Internet Citizen

- 15s animations
Capacitation

- directly contribute to the training of thousands of professionals and students,
- contribute to the dissemination of the best operational practices and, with them, improve the operation of networks and the Internet,
- contribute to the dissemination of relevant technologies, such as IPv6, RPKI, NTS, etc,
- contribute to creating a culture of continuous training in the technical community,
- contribute to improving the institution's relationship with the technical community.
Thanks
