What is the ccNSO?

ICANN Bylaws, Article 10:

ICANN Policy Development body, which shall be responsible for:

- *Developing and recommending to the Board global policies relating to **country-code top-level domains**;*
- *Nurturing consensus across the ccNSO community, including the name-related activities of **ccTLDs**;*
- *Coordinating with other ICANN Supporting Organizations, committees, and constituencies under ICANN.*

The ccNSO may also engage in other activities authorized by its members.
