

Working Group Description

Template

Working Group	ccNSO Guidelines Review Committee (GRC)
Goal	The goal of the GRC is to review the current guidelines and to ascertain whether they reflect current practices and working methods, identify potential gaps, and based on this analysis propose changes to the current guidelines to the ccNSO Council. In addition, the WG will develop new guidelines to support the role of the ccNSO as Decisional participant and other post IANA Function related roles.
Wiki:	https://community.icann.org/display/ccnsowkspc/Guidelines+Review+Committee
Deliverables to date	Since the GW was established in December 2014, the following Guidelines have been reviewed and updated: see https://community.icann.org/display/ccnsowkspc/Docs+by+Topic
Future Deliverables	Guideline: ccNSO Travel Support Guideline: IANA Functions Review Rules of the ccNSO
Working method	The group discusses the work plan and guidelines to be reviewed. After initial discussion drafts are prepared and distributed via mailing list. Some documents are edited using Google docs.
Meeting frequency	Every two weeks: tele-conference Face-to-face: during ICANN meetings
Background information	
Relevant documents	GRC has produced a list of membership. See: https://ccnso.icann.org/en/workinggroups/grc.htm and related wiki space. The results of its work are, after consultation of ccNSO community and approval by the ccNSO Council, included in the list of ccNSO Internal Guidelines: https://ccnso.icann.org/en/about/guidelines.htm
How to join	Send your expression of interest to ccnso-secretariat@icann.org New members are approved by the ccNSO Council.
