Larisa Gurnick: Hello everyone and welcome!

Alan Greenberg: Dmitry and I seem to be the only nonstaff-Board people here!

Alan Greenberg: Oops - and Susan!

Chris Disspain: excuse me!

Chris Disspain: Excuse me!!

Chris Disspain: :-)

Khaled KOUBAA: Hello everyone

Alan Greenberg: Last I heard you were still on the Board. Has something changed??

Chris Disspain: hehehe

Chris Disspain: No but I consider myself a community member first and foremost

matthew shears: likewise

Chris Disspain: Were there many on the earlier webinar Alan?

Khaled KOUBAA: We are all members of the community :)

Alan Greenberg: If this chat had a Thumbs Up, I would give you one.

Alan Greenberg: @Chris, more than this one, so far.

Chris Disspain: Well, that would not be hard

Chris Disspain: I need to drop out of the adobe room - my apologies

Alan Greenberg: Could you please unsync the presentation once we open for questions?

Brenda Brewer:Presentation is now scrollable for all.

Alan Greenberg:For what its worth, I was the one who suggested the word "convene" we thought it was bulletproof and didn't need defining. Clearly we were wrong.

Alan Greenberg:I am happy that the Board redefined the word to allow it to meet the Bylaw requirements. But then using it in the charts adds significant confusion.

Leon Sanchez:Thanks everyone

Lito Ibarra:Thanks

Khaled KOUBAA:thank you all
