Kathy Kleiman:still trying to come online via phone

Kathy Kleiman:long holds!

Julie Hedlund:Yes, sorry about that Kathy!

Andrea Glandon:Apologies, I am reaching out to the operator

Michael R Graham:Just got in -- long holds!

Kathy Kleiman:on now :-)!

Philip Corwin:lots of echo

Philip Corwin:gone now

Kristine Dorrain (Amazon Registry):Hi everyone!!

Kristine Dorrain (Amazon Registry):I'm here, but need to divert my attention to something for 5 min...BRB

Greg:Stacey is also here with me in the meeting room

Andrea Glandon:Thank you, Greg!

Ariel Liang:Google Doc of the RO survey: https://urldefense.proofpoint.com/v2/url?u=https-3A_docs.google.com_document_d_13atDQ54Sf3ICNn1-2DthaSldhx8XwCAq5w7IXiyupuqEM_edit-3Fusp-3Dsharing&d=DwlCaQ&c=FmY1u3PjP6wrcrwlI3mSVzgfkbPSS6sJms7xcl4I5cM&r=k7uKdjSb7_ZjItyVqrCYHo_rKms9SFxIImbYEJqG-y9I&m=99zZ-jTrcWZb72XRQRxcNMnccw9vw9nvmI4MT5IVmqA&s=uXLZ-lxYlM15wPAZZBC1SL6sGwzEyw-OQQxHCPIAls0&e=

Lori Schulman>Hello. May I please have a dial out to 917-364-1465. I have been on hold twice. Now waiting almost 10 mins.

Lori Schulman:Also, I had to reload Adobe Flash to get into chat

Andrea Glandon:Yes, Lori, I will have them dial out

Susan Payne:strong objection! not just extreme concern

Kathy Kleiman:I had trouble coming in too, Lori, :-)

Kristine Dorrain (Amazon Registry):You're a little muffled, Kathy, but I can hear.

Lori Schulman:Still can't hear.

Julie Hedlund:Thanks Susan and noted.

Andrea Glandon:they are dialing out to you now, Lori

Lori Schulman:thx

Kathy Kleiman:Tx Greg

Michael R Graham:@Kristine re: Timeline is secondary to Accuracy/Completeness +1

Lori Schulman:I am finally in.

Kristine Dorrain (Amazon Registry):Tx Kathy

Susan Payne:I would say that registries who want to talk to us have had and continue to have plenty of opportunity to do so

Kathy Kleiman:what was the original question?

Ariel Liang:Original questions table: https://urldefense.proofpoint.com/v2/url?u=https-3A_www.icann.org_en_system_files_files_rfp-2Drpm-2Dsunrise-2Dtm-2Dclaims-2Dappendix-2Da-2D27feb18-2Den.pdf&d=DwlCaQ&c=FmY1u3PJP6wrcrwlI3mSVzgfkbPSS6sJms7xcl4I5cM&r=k7uKdjSb7_ZjItYVqrCYHo_rKms9SFxImbYEJqG-y9I&m=99zZ-jTrcWZb72XRQRxcNMnccw9vw9nvmI4MT5IVmqA&s=nkG5Mw2v0Cy39O6Ev_PEno8ZeEzgBgLISWH20Y3do8Y&e=

Lori Schulman:yes, audio not ideal today.

Kathy Kleiman:please!

Kathy Kleiman:registrars or registries?

Kristine Dorrain (Amazon Registry):Yes

Lori Schulman:much better

Lori Schulman:If that is Kathy

Lori Schulman:Kathy

Lori Schulman:Kathy's concern, maybe we ask directly for complaints data?

Kathy Kleiman:Should we move on and come back to this?

Kathy Kleiman:Tx you, Kristine!!

Kathy Kleiman:I'm a little tongue-tied today...

Kathy Kleiman:Brilliant, and tx you, Kristine!

Kathy Kleiman:Yes or no, here?

Kathy Kleiman:Right - anecdotal responses where we don't know the full array of responses

Kathy Kleiman:I think Kristine phrased it well: we are looking for what we don't know. (in certain cases, such as here)

Kathy Kleiman:Registry operators don't have much of the technical costs of Sunrise

Kathy Kleiman:It's the registrars who have most of the technical costs

Kristine Dorrain (Amazon Registry):^ that too. :)

Susan Payne:@Kathy, I don't understand whgat you mean

Kristine Dorrain (Amazon Registry):Thank julie

Kathy Kleiman:Can we move back to the Analysis Group doc?

Julie Hedlund:Kathy: We are asking for people to view the Google doc: https://urldefense.proofpoint.com/v2/url?u=https-3A_www.icann.org_en_system_files_files_rfp-2Drpm-2Dsunrise-2Dtm-2Dclaims-2Dappendix-2Da-2D27feb18-2Den.pdf&d=DwlCaQ&c=FmY1u3PJP6wrcrwlI3mSVzgfkbPSS6sJms7xcl4I5cM&r=k7uKdjSb7_ZjItYVqrCYHo_rKms9SFxImbYEJqG-y9I&m=99zZ-jTrcWZb72XRQRxcNMnccw9vw9nvmI4MT5IVmqA&s=nkG5Mw2v0Cy39O6Ev_PEno8ZeEzgBgLISWH20Y3do8Y&e=

Julie Hedlund:Question 18

Julie Hedlund:Sorry wrong one!

Julie Hedlund:https://urldefense.proofpoint.com/v2/url?u=https-3A_docs.google.com_document_d_13atDQ54Sf3lCNn1-2DthaSldhx8XwCAq5w7lXiyuqEM_edit-3Fusp-3Dsharing&d=DwlCaQ&c=FmY1u3PjP6wrcrwl3mSVzgfkbPSS6sJms7xcl4I5cM&r=k7uKdjSb7_ZjItyVqrCYHo_rKms9SFxImbYEJqG-y9l&m=99zZ-jTrcWZb72XRQRxcNMnccw9vw9nvmI4MT5IVmqA&s=uXLZ-lxYm15wPAZZBC1SL6sGwzEyw-OQQxHCPIAls0&e=

Julie Hedlund:Here it is.

Michael R Graham:I would agree with Susan -- Please include a "would you still offer sunrise" after 18?

Kristine Dorrain (Amazon Registry):@Susan, I think the grids were supposed to be getting to the impact of duration

Kristine Dorrain (Amazon Registry):But they're not...

Greg:the comment in the survey document is meant to show the charter questions that this section is intended to address

Julie Hedlund:Thanks Greg and noted.

Susan Payne:and should police sunglasses get in before the police force

Kathy Kleiman:ORIGINAL QUES: Should there be a different rule for some registries, such as specialized gTLDs (e.g. community or geo TLDs), based on their published registration/eligibility policies?

Julie Hedlund:All: Note that the section with the original questions is on the screen.

Kristine Dorrain (Amazon Registry):Yes, the question is almost verbatim, but this is one where I think we were hoping for help...

Kristine Dorrain (Amazon Registry):We can absolutely as a charter question....we might not want to, but we CAN. :)

Kathy Kleiman:great, tx!

Kathy Kleiman:Did you encounter any unanticipated startup issues with these programs-specifically, what barriers (if any) did you encounter as you rolled out Limited Registration Periods? Approved Launch Programs and Qualified Launch Programs? How (if at all) did your LRP, QLP or ALP interact with the Sunrise Period? Please provide some examples

Susan Payne:I'm afraid this was our language, but as you say we were hoping for help to phrase better

Kathy Kleiman:(original questions)

Kathy Kleiman:Have we lost all of the above?

Julie Hedlund:@Kathy: I think that is coming up. I think we are still on page 4.

Susan Payne:good suggestion phil

Brian Beckham:Agree with Phil - as worded, the answer should be "yes" for each RO with a QLP

Kathy Kleiman:good point, Julie, tx

Susan Payne:Exactly Kristine!!!

Michael R Graham:@Kristine -- +1

Kathy Kleiman:+2 Kristine

Susan Payne:we also, for some of the sections, never even got all the way through within our wg!

Brian Beckham:@Greg, I guess I just don't understand how the "data" (the answers) will inform us.

Susan Payne:Yep - that's why this whole exercise has been such a challenge

Lori Schulman:As we all know, I am very skeptical of how these questions are translated into meaningful and efficient Q's for the survey. I have been down this road and always feel that the most important part of the process is always a rush.

Lori Schulman:This is not about my questioning the Analysis Group, it's about how we translate desires for information into a usable survey

Kristine Dorrain (Amazon Registry):+1 Lori. We're passionate because we care.

Kristine Dorrain (Amazon Registry):We don't want this time to be a waste.

Kathy Kleiman:Would Analysis Group like to go back for another pass - knowing more about our background?

Lori Schulman:Agree with Kristine. AG has looked at this out of context. There "new eyes" are certainly helpful because it highlights our own gaps.

Michael R Graham:@Lori -- in light of our experience with Nielsen and INTA Survey , I think a meet would be essential -- in Panama?

Susan Payne:yes

Susan Payne:+1000

Lori Schulman:Exactly. Folks are forgetting that we are all doing this extra to all other commitments.

Lori Schulman:@Michael - yes. We should meet Panama.

Greg:We (Greg) will be in Panama and would be happy to meet.

Michael R Graham:@Kristine -- Yes, I've already reviewed and have comments on Trademark/Brand Owner Questionnaire

Greg:Thanks Michael.

Kathy Kleiman:Exactly

Kristine Dorrain (Amazon Registry):Ahhhhh, thanks!

Greg:(What Julie said.)

Kristine Dorrain (Amazon Registry):Apologies - I need to step away for 5 min.

Mary Wong:Subject to the co-chairs' preferences and this Sub Team's availability, is there any objection to using the next 2 weeks to finish this?

Lori Schulman:Good point Susan

Kristine Dorrain (Amazon Registry):Back already, but may need to step away for a second

Lori Schulman:I think we have to adjust expectations that we all can't be on all calls in 2 hour blocks

Susan Payne:p4

Kathy Kleiman:great

Kristine Dorrain (Amazon Registry):Apologies...I'm back...did I miss anything good?

Kristine Dorrain (Amazon Registry)::)

Julie Hedlund:@Kristine -- we finished everything :-)

Julie Hedlund:LOL

Kristine Dorrain (Amazon Registry):See, I KNEW I was the holdup. :)

Kathy Kleiman:great!

Susan Payne:but you only answer it if you encountered problems

Susan Payne:lots of people will never hit this Q at all

Susan Payne:27?

Susan Payne:e were on 26

Susan Payne:so now 27

Susan Payne:this is for ROs

Susan Payne:they know what this is surely

Philip Corwin:agree--remove 29b

Ariel Liang:FYI - Staff are taking notes external to Adobe Connect as the note pod has run out of space for note taking

Kristine Dorrain (Amazon Registry):Ditto Kathy....

Kristine Dorrain (Amazon Registry):Same as Q16 and 17. when we solve that problem we'll likely get to a solution for this.

Susan Payne:@Michael - sure - but then we just a bunch of competing opinions

Susan Payne:@Michael - quite. exactly my concern

Kathy Kleiman:I agree with Susan; I'm not sure how useful these grids will be in the longrun.... cost/benefit?

Kathy Kleiman:+1
Lori Schulman:yay!
Michael R Graham:I would be glad to provide TM/Brand Owner Questions reference for AG.
Kristine Dorrain (Amazon Registry):To be clear, I would not be wordsmithing, but just proving context/background
Susan Payne:I will spend more time on Rr section tomorrow
Susan Payne:so I should hopefully get thorough it
Michael R Graham:@Susan -- YOu want the weekend? I can run with TM/B Sectin
Lori Schulman:My times are very tight.
Kathy Kleiman:Had to step away - are we meeting tomorrow?
Susan Payne:lovely Michael
Lori Schulman:I think we area going over TM/B survey
Lori Schulman:Will be on that call.
Michael R Graham:@Lori -- I was hoping you would be!
Lori Schulman:Yup, glutton for more work.
Kathy Kleiman:Tx All!
Kristine Dorrain (Amazon Registry):Thanks everyone
Michael R Graham:Thanks!
Lori Schulman:We need cocktails and massages in Panama...just sayin'
Susan Payne:ok, night all
Greg:thank you, All!
Lori Schulman:ciao
Philip Corwin:Thx to all as well. tedious but necessary
Lori Schulman:One can dream
