Yvette Guigneaux: (7/12/2018 12:33) Welcome to the SSAC Public Webinar | Thursday, 12 July 2018 @ 20:00 UTC!

Yvette Guigneaux: (12:33) **Friendly Reminder** - If you are not speaking, please mute your phone/ computer speakers. Thank you!

Yvette Guigneaux: (13:01) Would the 617# please identify for the record?

Chris Llop: (13:02) Hi Yvette, that's me.

Chris Llop: (13:02) Was having trouble with the dial-out, thanks.

Yvette Guigneaux: (13:02) ah ok, thanks Chris

Ben Butler: (13:07) Apologies for being a few moinutes late... Adobe Connect issues.

Yvette Guigneaux: (13:08) no worries Ben, welcome, sorry you had AC Room issues - if i can help with anything just let me know

Chris Llop: (13:11) For all - If you see a visual glitch where certain text disappears, moving the cursor over it can sometimes fix it.

Yvette Guigneaux: (13:12) i'll work on fixing that on the big screen as well Chris

John Poole: (13:43) <Question>I have substantive concerns about SSAC failing the global internet community, particularly re: new gTLDs and domain name registrants--I have already filed a comment, did you receive it? Are you going to address the issues I raised?</Question>

Yvette Guigneaux: (13:46) mssi-secretariat@icann.org

Chris Llop: (13:46) Thank you for coming, all.

Greg Rafert: (13:46) Thank you all.
