David McAuley: That sounds fine to me

David McAuley: Thanks Berry, seems understandable

Philip Corwin: Brian misspoke -- fakewatches.com is not subject to URS as it is not presently a consensus policy.

Julie Hedlund: @Phil: We can hear you (or not if you are speaking now). Can you hear us?

David McAuley: Phil - are you on mute

Philip Corwin: Sorry. Can't get iPhone off mute

Philip Corwin: Think I have it fixed

Kathy Kleiman: Categories of goods and services; jurisdiction.

Philip Corwin: I would like to speak next

Berry Cobb: Got you Phil.

Mary Wong: From the staff perspective, if each URS sub team can look at the data they have collected and identify issues for discussion (whether in more sub teams or in the full WG), that may be helpful in moving the PDP from the data collection to the analysis (substantive deliberations) phase.

Julie Hedlund: @Mary: Accordingly, in its presentation at ICANN62 the Practitioners Sub Team, for example, presented where the data pointed to possible issues for consideration by the WG.

Mary Wong: @Julie, right.

Mary Wong: Without going into the transcripts, staff cannot recall who or when the suggestions were made; but basically the suggestions that were raised in previous WG/Sub Team/ICANN meeting sessions were noted in this column.

Kathy Kleiman: Can this document be set up to allow download?
