

**Adobe Connect - Chat Transcript from RDS WHOIS2 Review Plenary #33  
9 July 2018**

Brenda Brewer: (7/9/2018 09:13) Good day all! Welcome to RDS-WHOIS2 Plenary #33 on 9 July 2018 @ 15:00 UTC.

Brenda Brewer: (09:14) Please note this meeting will be recorded. When not speaking, mute your phones by pressing \*6. Press \*6 to unmute. Thank you.

Belyavskiy Dmitry: (09:49) Oops, I have a aproblem with my speakers.

Belyavskiy Dmitry: (09:49) I'll try to fix it befor the conf call begins

Erika Mann: (10:01) Good morning. I can only be with you for about 30 minutes. Sorry for this!

Susan Kawaguchi: (10:01) good morning

Erika Mann: (10:01) I can't hear a thing ... anyone speaking?

Lili SUN: (10:02) not started yet, Erika.

Erika Mann: (10:02) Thank you Lili!

Stephanie Perrin: (10:05) Apologies for being late, usual adobe issues...

Belyavskiy Dmitry: (10:05) Well, still does not hear anything :(

Lili SUN: (10:06) @Dmitry: try dial-out

Stephanie Perrin: (10:07) I cannot hear anything either, except background noise a minute ago.

Erika Mann: (10:08) I still can't hear a thing but can see. Will type if I like to add something.

Jean-Baptiste Deroulez: (10:08) @Stephanie, Brenda will dial out to you

Stephanie Perrin: (10:08) Would connecting to adobe again help perhaps?

Brenda Brewer: (10:08) it may

Alice Jansen: (10:09) Try joining the Adobe Connect from another browser

Belyavskiy Dmitry: (10:09) I did and it did not help :(

Erika Mann: (10:09) Will leave now and will join again, maybe this will help.

Stephanie Perrin: (10:09) I was just on a call with this browser, worked fine.

Alice Jansen: (10:10) Can you have the system dial out to you when you re-join?

Erika Mann: (10:10) Still no tone

Belyavskiy Dmitry: (10:10) +1

Brenda Brewer: (10:11) I hear Stephanie

Stephanie Perrin: (10:11) wonderful. So no one is talking at the moment?

Brenda Brewer: (10:11) Yes, Lili is speaking

Belyavskiy Dmitry: (10:12) I can't hear Lili :(

Stephanie Perrin: (10:12) I can hear background noise and typing.

Stephanie Perrin: (10:12) now nothing.

Belyavskiy Dmitry: (10:12) I've heard somebody saying "Testing"

Stephanie Perrin: (10:12) any idea what is happening folks>

Stephanie Perrin: (10:12) I think that was me Dmitry...

Stephanie Perrin: (10:13) please can I have a dialout if this problem is all mine....

Alice Jansen: (10:13) we have asked ICANN tech-support to join the call so they can look into this. In the meantime, if you have a phone # you can provide to Brenda for dial-out, that would be great :-)

Lisa Phifer: (10:13) Lili, how about "Following a valid WHOIS ARS ticket or WHOIS Inaccuracy Complaint, in cases where the registrar has shown a pattern of failing to fulfill contractual requirements for validation..."

Erika Mann: (10:15) I like this recommendation from Lisa!

Lili SUN: (10:16) @Lisa: Then I suppose we are required to define what's the pattern of failing...

Erika Mann: (10:17) Please keep in mind, I can't hear you. Can only follow discussion in the chat room and on screen.

Brenda Brewer: (10:17) Please let me call you Erika

Stephanie Perrin: (10:17) If you are discussing Michele's concern raised from the audience, this might solve the problem. Defining what constitutes a pattern would be the next discussion.

Jean-Baptiste Deroulez: (10:18) Erika do you want to say anything on the comment on consumer trust?

Susan Kawaguchi: (10:21) agree with Lisa

Erika Mann: (10:23) I will send an email concerning consumer trust, Jean-Baptiste!

Stephanie Perrin: (10:25) Why that one and not the others Lisa?

Stephanie Perrin: (10:25) I mean, current status makes so much of this work passe?

Stephanie Perrin: (10:25) Yes'

Stephanie Perrin: (10:26) Except that we have not finally decided what to do with the RDS PDP

Stephanie Perrin: (10:26) Seems doubtful to me, and assumes success of the EPDP

Susan Kawaguchi: (10:26) you are very optimistic Alan!

Stephanie Perrin: (10:27) Indeed, that was my feeling Susan

Stephanie Perrin: (10:27) Well just do not assume the other RDS PDP will be killed. I think we need it, possibly after a major re-calibration

Stephanie Perrin: (10:28) (re scope and composition)

Stephanie Perrin: (10:31) just got cut off phone line....

Brenda Brewer: (10:31) will call you back

Stephanie Perrin: (10:31) so not hearing anything again.

Stephanie Perrin: (10:32) Make sure we are not paying for two lines out to me, it crashed and cut me off.

Stephanie Perrin: (10:33) yes, the phone works, adobe no

Lisa Phifer: (10:35) Alice you're breaking up

Stephanie Perrin: (10:37) I will try to put my edits to all sections in this week

Erika Mann: (10:47) Leaving you now ... have a great day!

Lili SUN: (10:52) Yes

Lili SUN: (10:59) bye

Susan Kawaguchi: (10:59) Thanks all

Cathrin Bauer-Bulst: (10:59) thanks all, bye!
