RDS WHOIS2 Sugroup 3: Law Enforcement Needs
#23-26 April 2018

08:11:00 From Brenda Brewer : Good day all!

08:11:56 From Brenda Brewer : Welcome to RDS-WHOIS2 Subgroup #3: Law Enforcement Needs on 26 April 2018 @ 13:30 UTC. Please note this meeting is recorded.

08:27:52 From Brenda Brewer : Chris Disspain declined the meeting invite.

08:33:34 From Alice Jansen : Hello everyone

08:33:36 From Lisa Phifer : Hi Lili, thanks for joining despite the hour. Is it late for you?

08:34:49 From Lili SUN : It's 9.30pm, still fine.

08:35:32 From Lisa Phifer : Thanks for that update Brenda. As Cathrin is acting rapporteur for this subgroup, let's wait for her to join to start the call.

08:35:45 From Lili SUN : Do we have the draft questionnaire now?

08:36:12 From Lisa Phifer : Lili, I have not seen anything circulated to the subgroup list. Did you receive a draft directly?

08:36:34 From Lili SUN : No.

08:54:02 From Brenda Brewer : Thomas has joined

09:07:43 From Lisa Phifer : It may be useful to attach to the survey a list of definitions or links to background information. For example, by linking to the WHOIS primer at ICANN.org

09:09:56 From Lisa Phifer : For example, <https://whois.icann.org/en/using-whois>

09:19:40 From Lisa Phifer : The free version is limited on the number of responses

09:23:43 From Lili SUN : Lisa, do you know the limitation for free version?

09:24:31 From Lisa Phifer : 1000 responses

09:24:50 From Lisa Phifer : over a one month period in free version

09:24:53 From Lili SUN : i believe that's enough.

09:25:33 From Lili SUN : thank you all!

09:25:45 From Lisa Phifer : Lili, the challenge is that test responses add to the total allowed, but a standard account just for this review team is certainly possible as well
