

# Misunderstanding on Cyber Security

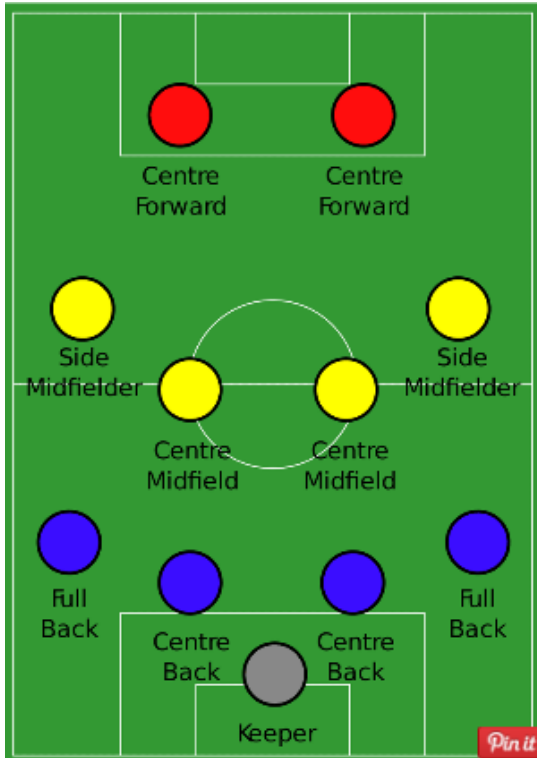

2018. 07. 27 / APIGA

# Offensive vs. Defensive

# Which one is the most offensive formation?

4-4-2

4-2-3-1

4-4-2

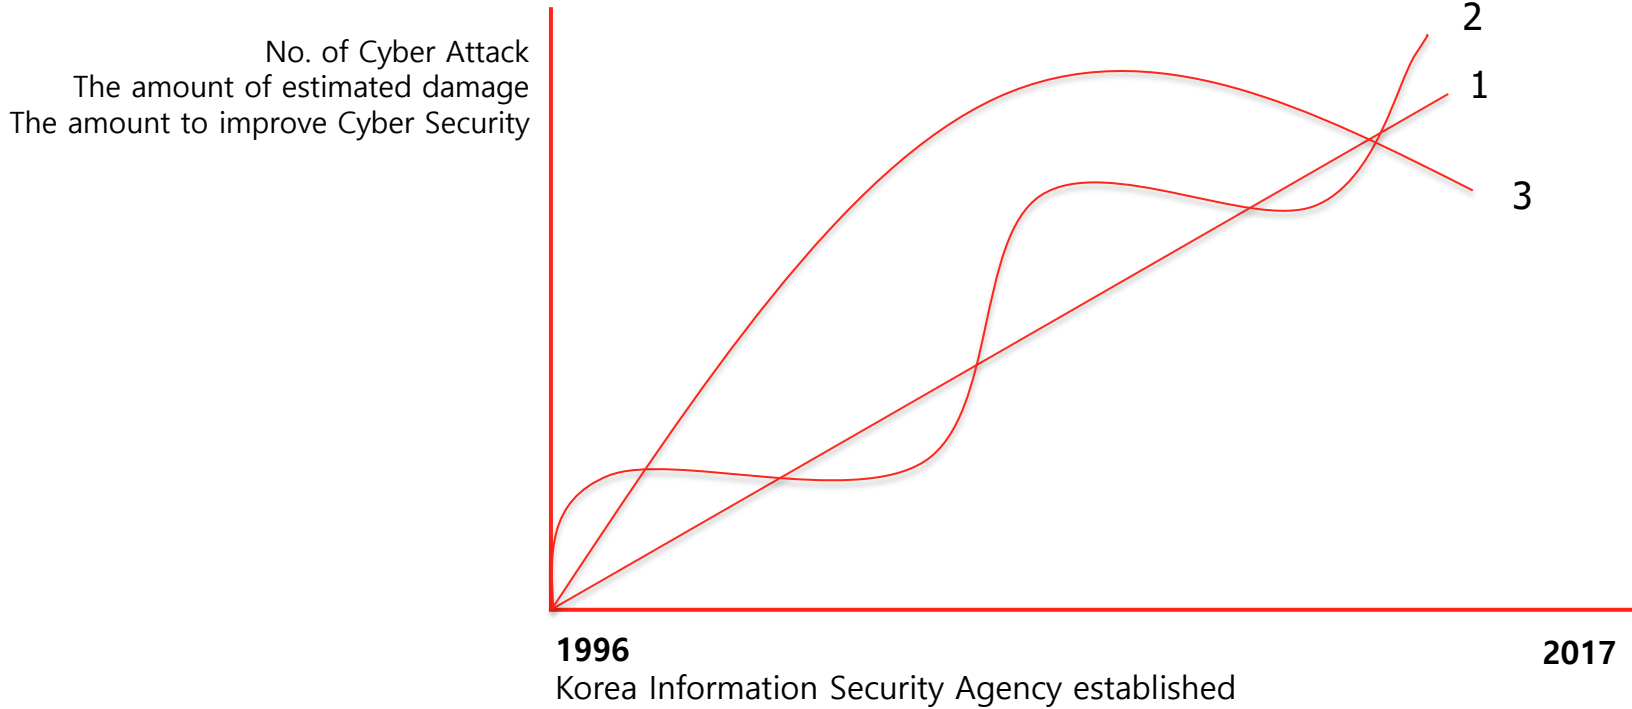

# Taewan Park

- 1982 ~ 1992 : HSBC Bank, Hyatt Hotel, National Australia Bank in Korea
- 1992 ~ 1993 : MSc in Information Security,  
Royal Holloway College, University of London
- 1994 ~ Current:     Consultant / Auditor  
                          Visiting Professor, Industrial Security, Chung-Ang University  
                          ISO/IEC JTC1 SC27 Head of Korean Delegations

# Trend

First misunderstanding

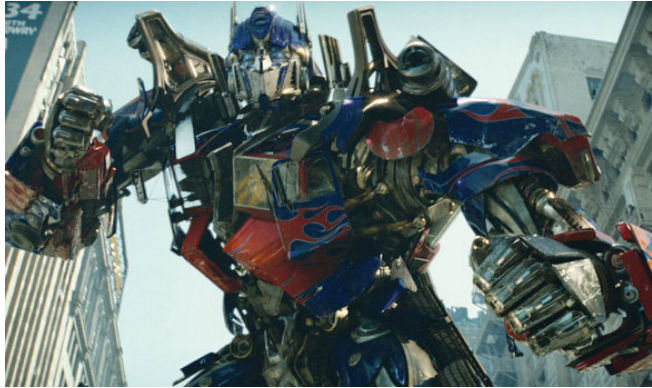

# Because of Low Awareness

# Awareness vs. Training vs. Education

Second misunderstanding

Anti-Malware Software installed, now I am safe

Optimus Prime

Jaeger

Third misunderstanding

PIN = Password

Forth misunderstanding

PIN/Password will be replaced by Biometric

Fifth misunderstanding

use Biometric, more secure

Sixth misunderstanding

Protect PC, files inside PC also protected

Thank you for your attention
