

Hi everyone! My name is Esteban Lescano from Argentina. I am one of the representatives of the ISPCP on this process.

I am a lawyer at *Lescano & Etcheverry*, a tech law firm with offices in Buenos Aires with strong expertise in policy and regulatory affairs related to Internet, Media and Telecommunications industries.

I have been representing CABASE- Argentine Internet Association - for many years in public policy projects as well as in different Internet Governance initiatives and organizations, including ICANN, LACNIC, LAC IGF and the IGF.

I am proud to be part of this team and ready to contribute to this process on behalf of ISPCP.

Best Regards

Esteban Lescano
