

Greetings!

I'm Kristina Rosette, one of the RySG EPDP members. Since January 2015, I've been a Senior Corporate Counsel at Amazon, where I advise Amazon Registry Services and help build its TLD business. I'm also responsible for Amazon Registry Legal's GDPR compliance efforts, and have extensive experience with the Registry Agreement and Registrar Accreditation Agreement. (From 2006-15, I was in private practice and very active in the IPC as GNSO Councilor, Vice President, and President.) During my 12 years of ICANN participation, I've participated in a number of PDPs -- Introduction of New gTLDs, AGP Limits, Vertical Integration, Privacy & Proxy Services Accreditation, RPMs and New gTLD Subsequent Procedures.

I'm looking forward to working with everyone!

K
