

Hi all,

My name is Rafik Dammak. I am software engineer by background and work on co-location services for NTT Communications.

I was chair for NCSG and NCUC, and co-chair for the new gTLD applicant support working group.

I am currently GNSO council vice chair for the non-contracted party house and was appointed as GNSO council liaison to EPDP team.

looking forward to work with everyone in the EPDP team.

Regards,

Rafik
