George Sadowsky: (06:45) Hi, Yvette, I came on late, but it appears that everyone on the call is either asleep or dead. Has it been more lively earlier?

Yvette Guigneaux: (06:47) Hi George, good day - its a little early here on the West Coast - but this meeting in general has been a bit quiet the whole time

Yvette Guigneaux: (06:47) But its not over yet, lively could still happen, lol
