• 2018 Achievements

- APRALO membership – to support ALAC goals
- Communications – monthly newsletters – AP events – Annual eBook 2018
- Outreach – APRICOT & APRIGF

- **Continue to support our partner communities**
(APRIGF MSG, *APNIC, *APTLD, *DotAsia, ISOC, APAC Hub)
- **Enhance At-Large presence in areas of Asia Pacific with poor or no At-Large coverage**
(Pacific, and large sections of the Asia)
- **Support the ALAC Implementation Plan** in response to the At-Large Review
- **ATLASIII** – Summit meeting for members – ICANN66, Montreal 2019
Policy focus – budget cuts – attendance restricted – participation metrics between Panama and Marrakesh.
- **Encourage ICANN Fellowship applications** from the AP region
- Encourage ALS engagement and involvement within At-Large, as well as in their local and regional communities.
