

Rejection Action Notice template

E-mail data:

Sent from a role account: **ICANN Secretary**

Subject: **Rejection Action Board Notice as per Section 2.1. (a)-(j)**

Sent to: EC Administration, to Secretariats of SOACs, Secretariat of ICANN (whatever appropriate)

Commented [KS1]: Not Bob Rejectionist or Anna Actionist or anyone else we've never heard of

Commented [KS2]: I think we can propose that they number Rejection Actions (if they do not do that already), e.g. like this RA2018-2.1.a/5 where RA – Rejection Action, 2018 – the year of the particular RA, 2.1.a – reference to the Bylaws, and /5 the number of the RA in the particular year. So we will always know which RA we're talking about
