Ore Lesi: Yes, David, I could hear you just then..

Caleb Ogundele: We can hear you now David

----- (08/22/2018 14:18) -----

David Cake: It overlaps with NCUC, but I think it is a very important point.

David Cake: I think for the EPDP/GDPR stuff, for example, CSG has been trying to claim that it doesn't apply to 'legal persons' eg corporations

----- (08/22/2018 14:21) -----

David Cake: Because it isn't Personal Identifying Info. But it IS PII for the people that are contact,s, the WILL be targets of harassment in many organisations, and the idea that corporate bodies privacy doesn't matter is one NPOC in particular needs to fight.

----- (08/22/2018 14:23) -----

Ore Lesi: None

David Cake: no objection

Caleb Ogundele: No objection

----- (08/22/2018 14:24) -----
