ccNSO 20th anniversary celebrations concluded with a World Café session

At ICANN78, the ccNSO 20th Anniversary Committee organized a World Café to explore with ccTLD representatives what makes the ccNSO relevant to the community for the next 5-10 years. As this session did not include remote participation, a fully virtual session was held on 14 December. Thank you to those who joined! The planning team will soon release a report and inform about the next steps.

In 2023, the ccNSO celebrates its 20th anniversary. Representatives from the ccTLD community have reflected on the evolution and key milestones in the history of the ccNSO during the various anniversary sessions held throughout the year. The ccNSO membership submitted anniversary videos, as a unique and memorable way to celebrate.

The videos were shown during the [ICANN76](#), [ICANN77](#) and [ICANN78](#) ccNSO anniversary sessions.
