Yvette Guigneaux: yes

Maxim Alzoba: voulume is ok

HARISH CHOWDHARY: yes

Maxim Alzoba: @Lars, is it possible to provide URL for the slides (it is not in https: //community.icann.org/display/ACCSSAC/SSAC2+Webinar+-+20+November+2018+@+21%3A00+UTC)

Maxim Alzoba: ?

Angie Graves: Hello Maxim -- slides are being uploaded to that page now. In the meantime, you can get them immediately at

Angie Graves: https: //community.icann.org/x/TAKfB

Maxim Alzoba: Thanks

Angie Graves: Hi Maxim - the file has now been uploaded at the page you noted.

Maxim Alzoba: <QUESTION> Greg, were all SO/ACs represented in interviews? </QUESTION>

Cheryl Langdon-Orr (CLO): <QUESTION> How did you define 'Other" <QUESTION>

Cheryl Langdon-Orr (CLO): OK Thx

Jim Prendergast: providing the high level quick look. isn't that something the Board Liaison could do?

Jim Prendergast: yes. thanks

Alan Greenberg (ALAC): <QUESTION> Regarding adivce about how the Liaison to the Board, I found them surprising as they sounded like things that would have been "business-as-usual".

Alan Greenberg (ALAC): <\QUESTION>

Alan Greenberg (ALAC): That was ..."on how the Liaison to the Board should interact with the SSAC and the Board...

Maxim Alzoba: <QUESTION> Chris, Is there any requirement and process in place for SSAC members to claim conflict of interests as soon as it happens, so it is always current and SO/ACs are aware? (for example SSAC member being contracted by ICANN as a result of the recommendation provided to the Board)? </QUESTION> (pages 44-45 , and 36 of the presentation)

Maxim Alzoba: example = SSAC issues some recommendation and one of the invloved members has a contract as a result

Cheryl Langdon-Orr (CLO): Thanks for taking us through these report highlights,

Maxim Alzoba: Thanks for your time

HARISH CHOWDHARY: thanks

KHALED KOUBAA: I join Cheryl in thanking the IE team

Alfredo Calderon: Thank you all!

Cheryl Langdon-Orr (CLO): Bye for now then THANKS

Maxim Alzoba: bye all

Bastiaan Goslings: thank you

zina BRAHIM MAHAMAT: bye

Chris Llop 2: Thank you, take care.
