European Regional At-Large Organization (EURALO)

What is EURALO?
Welcome to the **online home of the At-Large** (individual Internet user community) for the **European region**, providing news, key resources and interactive features for information sharing for individuals and end-user groups in the European region interested in ICANN and shaping the future of the Internet.

At-Large CALENDAR

The At-Large calendar shown below and at http://www.atlarge.icann.org/calendar shows the schedule all of the At-Large meetings and teleconferences. These include meetings and teleconferences by:

- the At-Large Advisory Committee (ALAC)
- the ALAC Leadership Team (formerly known as a the ALAC Executive Committee or ALAC ExCom)
- Regional At-Large Organisations (RALOS) and
- At-Large Working Groups (WGs)

Note that the times shown in the At-Large calendar above and at http://www.atlarge.icann.org/calendar are in UTC/GMT time so you’ll have to calculate the time of meetings in your time zone.

However, instead of remembering to visit http://www.atlarge.icann.org/calendar or this page, you can subscribe to the At-Large Calendar using your Calendar application. Your Calendar application on your desktop or mobile device will show the meeting times in your time zone and you can set email notifications and/or popup to notify you at any time before the meeting (for example 2 hours before, 30 minutes before).
