

Regional At-Large Organisations

What are the RALOs?

The At-Large community is structured into five Regional At-Large Organizations (RALO), each composed by a number of regional At-Large Structures (ALS), Internet user organizations, and unaffiliated users. Each RALO has a regional Chair and a Secretariat. In addition to their annual General Assemblies, the regions hold monthly teleconferences to develop a regional view on current policy issues and to provide input for the At-Large policy process.
