ccNSO Monthly Newsletter

Providing all the
latest news and
developments

The ccNSO Monthly Newsletter

The first edition was released in October 2018, prior to ICANN63. The ccNSO newsletter has articles and information relevant to the ccNSO members and broader ccTLD community. Feel free to send us suggestions for topics. We will publish our newsletter once a month and announce it with an email to the ccNSO members and ccTLD community mailing lists.

How to subscribe?

We want to ensure you are not receiving unwanted emails. **Please fill out this [form](#) to receive monthly updates by the ccNSO.**

If you do not wish to receive future ccNSO monthly newsletters, no action from you is needed. You can unsubscribe at any time, via a link in the newsletter itself.
