### Meeting Description:

The purpose of the call is to discuss At-Large travel support for the 2010 fiscal year. Currently, ICANN's budget and travel guidelines provide for 15 At-Large members and 10 RALO representatives (two from each RALO) for travel to each of the three ICANN meetings held each year. Kevin will discuss two proposed alternatives to the current arrangement in order to be able to fund a portion of regional General Assemblies. The At-Large community will have the opportunity to ask staff questions regarding the details of the proposed alternatives. For more information on the background and details of this issue, please see the message on At-Large Travel Support for FY2010.
