

# CROPP RT Monthly Reports

This workspace will contain the monthly reports of the At-Large Community Regional Outreach Pilot Program Review Team (CROPP RT).

## August 2016

Held two calls on the 2nd August <https://community.icann.org/x/lxKbAw> and 5th August <https://community.icann.org/x/PwWsAw> to clarify the procedure for At-Large to apply for CROPP.

## September 2015

Several trip assessments by travellers have not been completed. CROPP RT members are working to get travellers to commit their status reports.

## August 2015

The CROPP RT reviewed an CROPP application from APRALO. The new [ALAC Subcommittee on Outreach and Engagement](#) has appointed new members for the CROPP RT on its [2015-08-17 ALAC Subcommittee on Outreach and Engagement](#) call.

## July 2015

The CROPP FY15 program has ended. At the ICANN53 meeting, the chair meet informally with the ICANN CROPP Team for possible improvements to the CROPP process.

The CROPP RT is to be reconstituted with a member from the new [ALAC Subcommittee on Outreach and Engagement](#). One urgent item is for the [ALAC Subcommittee on Outreach and Engagement](#) to assist with developing a At-Large Strategy for all RALOs for submission to regional [Global Stakeholder Engagement \(GSE\)](#) for approval. If approval is not done before September 30 2015, then At-Large will not receive CROPP funding.

## May 2015

Several CROPP proposals were received from LACRALO members and LACRALO picked 3 for submission to CROPP which were approved by the CROPP RT ; See [LACRALO Official](#) for links to these proposals

Le Marie Thompson completed on May 21-June 2 the final NARALO trip to the IHTC Conference in Ottawa. This is the IEEE Region 7 meetings
