The open house meeting with CBI and the EPDP team is scheduled on **Monday, 17 September 2018 at 14:00 UTC for 1 hour.**

7:00 PDT, 10:00 EDT, 16:00 Paris CEST, 19:00 Karachi PKT, 23:00 Tokyo JST, (Tuesday)01:00 Melbourne AEST

PROPOSED AGENDA

- 1) Brief introduction by the CBI team; a few minute description of CBI, their expertise, their experience working with ICANN, and the name, rank and role of each of the CBI attendees: David Plumb, Gina Bartlett and Toby Berkman.
- 2) Input and information from the team to the CBI. Some of you offered to provide information regarding the conduct of face-to-face meetings. I am a bit sad that the CBI team is a newcomer to our proceedings at this stage but I hope some of you can speak up in a collaborative way to provide what advice you might have for integrating CBI into the team and sharing lessons learned from your previous experience.
- 3) CBI to provide information regarding the use of mediation techniques in a multi-stakeholder setting and how they might apply here. We have had two sessions with the CBI team and, as mentioned above, there is some limited experience with ICANN. I think the the EPDP team's job is to provide your best feedback.
- 4) An interactive session, questions and answers. CBI can take this information back and adjust their planning for the meeting next week.
