FINAL VERSION SUBMITTED (IF RATIFIED)

The final version to be submitted, if the draft is ratified, will be placed here by upon completion of the vote.

To whom it may concern:

Through its weekly policy discussion process, the ALAC has spent much time studying and discussing the invitation to comment on the .amazon public interest commitments. Our discussions have shown that there is a lack of consensus on this topic in our community. We wish to respect the peoples of the Amazon region and will in no way try to speak for them. We respect the fact that the processing of the .amazon string application has now concluded and that it has moved into a contracting phase.

Sincerely

Maureen Hilyard

FINAL DRAFT VERSION TO BE VOTED UPON BY THE ALAC

The final draft version to be voted upon by the ALAC will be placed here before the vote is to begin.

DRAFT SUBMITTED FOR DISCUSSION

The first draft submitted will be placed here before the call for comments begins. The Draft should be preceded by the name of the person submitting the draft and the date/time. If, during the discussion, the draft is revised, the older version(S) should be left in place and the new version along with a header line identifying the drafter and date/time should be placed above the older version(s), separated by a Horizontal Rule (available + Insert More Content control).
