

Action Items 19 February 2009 WG3

- 1) Staff informed they will link all the previous statements that ALAC had made about new gTLDs, in multiple languages, to the wiki document area and would link the most recent comments made related to the applicant guidebook, in English only, and the draft statement of each RALO to ALAC on new gTLDs.
- 2) R Vansnick will go through the new gTLDs comments on the mailing lists on and put them on the Wiki
- 3) R Vansnick suggested preparing some slides with bullet points lists of the comments summarized for the summit workshop.
- 4) The draft should be posted on the Wiki by the 22 February
