NCUC and NPOC Joint Outreach - Civil Society Organizations roundtable

10:30 - 12:00, Sat, Mar 10, 2018

Civil Society Organizations Roundtable: a joint outreach by NCUC + NPOC + NCSG

International digital rights organizations like EFF, Accessnow, Open Knowledge Finland and others are NCSG, NCUC or NPOC members. Some of these organizations will share with the audience a bit about their work and why they became involved in ICANN. If you are in an organization who is not participating in ICANN yet, come meet us, learn more about doing DNS policy and understand how your organization could get involved by applying for institutional membership.
