WS2 - Enhancing ICANN Accountability Home

As indicated in the CCWG-Accountability Charter, the CCWG-Accountability has divided its work into two Work Streams:

- **Work Stream 1**: focuses on mechanisms enhancing ICANN accountability that must be in place or committed to within the time frame of the IANA Stewardship Transition;
- **Work Stream 2**: focuses on addressing accountability topics for which a timeline for developing solutions and full implementation may extend beyond the IANA Stewardship Transition.
