May 2014 SSAC Liaison Report

May 2014 – SSAC Liaison Report

(as at 27 May 14)

1. **SSAC MEETINGS.** The SSAC Monthly Meeting was held on 8 May.

2. **SSAC WORK PARTIES.** I have continued my participation in three SSAC Work Parties during the last reporting period:
   - **Identifier Abuse Metrics Work Party** – There have not been any meetings of this work party during the last month but there has been some activity via email with the draft report under development.
   - **JAS Report Comment Work Party** – The JAS Work Party was initiated at the ICANN49 Meeting in Singapore to develop comments on the JAS Report. As well as a large amount of work by email, this Work Party has had a further three meetings on the 6, 13 and 23 May, the latter two including some members of ICANN Staff and the JAS Team.
   - **London Meeting Planning Work Party** – This work party to plan the SSAC Program for ICANN50 in London has held two meetings on 13 and 20 May.

3. **SSAC REPORTS.** No new SSAC Reports have been posted within the last reporting period.

4. **PRE-ATLAS II CAPACITY BUILDING.** I conducted a Pre-ATLAS II Capacity Building Webinar on Security and Stability on 15 May.
