Dear Alan,

On behalf of Avri Doria and Jeff Neuman, WG Co-Chairs of the New gTLD Subsequent Procedures PDP WG ([http://gnso.icann.org/en/group-activities/active/new-gtld-subsequent-procedures](http://gnso.icann.org/en/group-activities/active/new-gtld-subsequent-procedures)), we are sending a reminder regarding our request for your input to a series of questions on a set of six overarching subjects that the WG has preliminarily discussed. The suggested date for response was 25 July; the WG hopes to consider all input received when it meets again on 1 August and encourages you and your organization to provide response, if you so choose, before then (e.g., 29 July) in order to be fully considered.

Kind Regards,

Glen
