

EURALO 18.10.11 AC Chat

Gisella Gruber-White:Welcome to the EURALO call on Tuesday 18 October 2011
Bill Drake:Hi sorry, can I get a dial out at this point? +41 22 792 5706
Bill Drake:or a number en Suisse
Lutz Donnerhacke:/me did not find the call in numbers on the webpage (for germany)
Gisella Gruber-White:Lutz - will send it to you
Gisella Gruber-White:Germany landline 0800 1016 120
Gisella Gruber-White:if calling from a mobile 0800 1016 124
Lutz Donnerhacke:conf id?
Gisella Gruber-White:1638
Lutz Donnerhacke:tnx
Gisella Gruber-White:Lutz - we are happy to dial-out to you if necessary
Gisella Gruber-White:Lutz has joined the call
Heidi Ullrich:Thank you , Wolf. We have received the regional advice for TaC.
avri:disapproval symbol is thumbs down.
Heidi Ullrich:Gute Nacht!
avri:i mean red x. thinking of a diffeent system.
Olivier Crepin-Leblond:actually the icons differ from version of Adobe Connect server.
Olivier Crepin-Leblond:The current version is tick & cross
avri:oh, you mean each client sees a different symbology?
Olivier Crepin-Leblond:not sure if it's the client or the server. Do you see thumbs or ticks & crosses?
avri:ticks and crosses. it was my faulty recollection. was on the other kind of system earlier this week for some other meeting.
Olivier Crepin-Leblond:so that's what I have noticed - some AC rooms have thumbs up & down and some have ticks & crosses
CHRISTOPHER WILKINSON:Bill is coming over, unintelligible.
Bill Drake:Sorry Chris, I am persistently unintelligible
avri:Not perhaps caused, but once a window is opened, it is never completely closed again. Perhaps not causation as it takes more than one open window, but we went to Tunisia and Egypt and both are more open now.
Gisella Gruber-White:Sebastien Bachollet has joined the call
avri:i did, it was unremarkable.
Sebastien:Thanks
Gisella Gruber-White:Please note recording, transcript and presentation are available at: <http://gnso.icann.org/calendar/#oct>
Olivier Crepin-Leblond:can whoever is turning hands into microphones please not do that?
avri:as i said, i participated in the webinar, and it was rather unremarkable. not really worth alot of anybody's time.
Gisella Gruber-White:It was a Policy update with no specific agenda
Olivier Crepin-Leblond:Oksana - inactive ALSes was the RALO secretariats meeting, not the Policy Webinar from ICANN policy team
Yrjo Lansipuro:I agree with Avri. I think we have to go to Azerbaijan to support whatever forces there are for Internet freedom. It may not lead to anything right now, but like in Tunisia, we might see some change in the long run
avri:In tunbis, we and Eu Parliamentarians joined the Tunisian HR activists in the streets. That was impornat.
Siranush Vardanyan:unfortunately, even if Azerbaijan promised to provide security to all, the latest events with different sport championships there, and particularly boxing championship showed that Armenians are always in trouble there (people there met our boxers on the ring with stones and noone could stop that), so, in practice, there is no security even if it is under UN auspices. So, maybe it is worthy to go there, but not for Armenians.
Siranush Vardanyan:just a remark to the general discussion on this topic
Heidi Ullrich:At-Large Workspace for Dakar: <https://community.icann.org/display/atlarge/Dakar+Meeting++23-28+October+2011--At-Large+Meetings+Workspace>
Heidi Ullrich:Main Meeting Schedule: <http://dakar42.icann.org/full-schedule>
avri:Well I notice the Board is keeping the next CEO choice totally within the Board. Do they really care about other people's opinions?
avri:Or is it like last time, just collect opinions for show, but then do their own thing in secret.
Sebastien:Thanks
Heidi Ullrich:The FR and ES translations of the At-Large meetings are currently being posted on the At-Large link above.
Olivier Crepin-Leblond:Yes Yrjö -- please bring it up in Dakar
Wolf Ludwig:Can you make a draft or the letter to the Board available, Yrjö?
Oksana Prykhodko:I am sorry for my problems with Internet
Siranush Vardanyan:can you dial out me again, my call was disconnected
Bill Drake:There is a NCSG meeting starting in three minutes so I will have to drop off as scheduled. Bye all
Yrjo Lansipuro:Olivier, Wolf - Of course. The letter as signed by ten people concerned about the selection of the new CEO has been sent to Steve, and is there on a number of blogsites.
Siranush Vardanyan:i am back
Wolf Ludwig:See you in Dakar, Bill.
Heidi Ullrich:Thank you, Sebastien. The slides are very clear and comprehensive. At-Large staff will be working on a wiki page where this slide deck and other At-Large inreach/outreach documentation will be posted.
