The Seat No. 15 of the ICANN Board of Directors is dedicated to a member selected by the At-Large Community. The Board term is 3 years, starting in 2020 for the winner of Board Seat 15. This process takes place on this wiki workspace where prospective Candidates will find the official Candidate Requirements for applying for the ICANN Board Director position selected by the At-Large Community. Once a request for an Expression of Interest (EoI) Form has been received and processed by the authorized BCEC Staff, the remainder of the process occurs within an EoI Form and RESTRICTED space on the wiki for evaluation. Each Candidate will complete the single EoI Form containing Profile Sections and an Application Section.
