Board Resolution on the Acknowledgement of the Third At-Large Summit

What is the third At-Large Summit (ATLAS III)?

ATLAS III is an assembly of future At-Large Ambassadors, focused on developing and nurturing potential thought leaders and change agents who will implement what has resulted from the At-Large Review Process, namely, more effective participation of At-Large members in the policy advice process.

ATLAS III will provide participants with the skills required to effectively represent the best interests of the end users within ICANN.

See the ICANN org blog on ATLAS III here.

When is ATLAS III?

ATLAS III will take place Monday, 4 November through Thursday, 7 November 2019 during ICANN 66 in Montreal, Canada.

Who is participating in ATLAS III?
Approximately, sixty At-Large members and current and incoming At-Large leaders are invited to be ATLAS III.

See all ATLAS III Funded Travelers.

Details on how the ATLAS III participants were selected are available here: ATLAS III Participant Selection Process

Other At-Large members are welcome to be observers in ATLAS III.

Why ATLAS III?

**ATLAS III 2019, ICANN66, MONTREAL, CANADA**

**PURPOSE**
ATLAS III will be an assembly of the future leaders of At-Large, focused on developing and nurturing their abilities to become thought leaders and change agents who will effectively implement what has resulted from the Review Process.

**ORGANISING COMMITTEE PREPARATION**
In August 2018, a small Organising Committee met to address an urgent call about meeting area requirements for the ATLAS event. The CEO approached the Board for a budget for ATLAS III. The Board approved $450k for the venue and 60 travelers. One large plenary room / ALAC meeting room and four breakout areas were reserved for the event. The ATLAS III programme will involve two workstreams: Leadership Development (coordinated by Maureen Hillyard & Alan Greenberg), and Programming (coordinated by Olivier Crepin-Leblond & Eduardo Daza). Logistics will be coordinated by staff and sponsorship will be sought independently for any additional activities.

**GOALS AND OBJECTIVES**

**LEADERSHIP DEVELOPMENT**

- To support a strong leadership skills programme that will develop competent, visionary, and knowledgeable policy-focused leaders who will act on behalf of the rights and interests of Internet users while ICANN but also appropriately and actively represent the interests of ICANN within their local and global outreach and engagement activities.

**PROGRAMMING**

Objectives:

1. To develop a set of deliverables on leadership that will define key competencies.
2. To develop a set of activities that will be used to evaluate the success of the programme.

Scope:
- Planetary Conferences, Workshops, Networking Events, and other ICANN meetings.

Responsibilities:
- Define the key competencies for the leadership role.
- Develop specific meeting processes to capture expected outcomes (i.e., discussions, decisions, etc.).

Expected outcome(s):
- At the end of the program, participants will be able to:
  - Clearly articulate their leadership skills.
  - Demonstrate their ability to work collaboratively.
  - Effectively communicate their ideas and perspectives.
