Review Working Party roles and responsibilities

- Conduct a self-assessment
- Provide input into the review scope and the Independent Examiner selection criteria
- Provide community outreach support
- Provide input into data collection through for instance online surveys and interviews
- Provide clarification and factual corrections throughout the review
- Once the final report is submitted: assess the feasibility of the recommendations, and provide the OEC with appropriate documentation

ICANN Org Support

- Jennifer Bryce, Multistakeholder Strategy & Strategic Initiatives
