Decisions Reached:

- Heatmap - Review Team will be using this as a guideline to process its comments but will not be releasing it.

Action Items:

- Rec 1 - Jonathan to incorporate comments received on call #52
- Rec 10-40 - David and Jordyn to discuss whether can combine both
- Rec 11-49 Insert a cross-reference
- Rec 9 - Change priority level to low. Use in consultation with instead of in association with
- During editing process, proof readers should make sure that the references to the surveys (consumer end-
user and registrant) are consistent throughout both the Report and the Recommendations.
- Parking - Laureen to clarify language on renewal rate and Jonathan to work on hypotheses. Jordyn to refine language.
- Rec 50 - Add line on appeals mechanisms
