APPLICATION & EVALUATION PROCESS

• Rounds
• How many string contention objections were raised and what was the outcome on New gTLD applications? In particular what was the result of singular/plural string contentions?
• How did GAC formal advice or GAC early warnings (GAC EWG) influence or affect the New gTLD applications?
• Was the application and evaluation process effective at addressing the needs of underserved areas and markets?

PRESENTATIONS:

• Nielsen Applicant Survey Findings
• New gTLDs and the Global South - Understanding Limited Demand and Options Going Forward
• Engagement session with New gTLD Subsequent Procedures PDP WG

Notes/Action Items

Action Item: Add Registry stakeholder group to agenda if possible; BRG also

Action Item: Eleeza to contact the Registry Stakeholder Group to see if Nielsen can talk to them about joining the applicant survey

Action Item: Investigate with Nielsen/Staff to see if they can call applicants to get a higher response rate from applicants

High Level Findings Safeguards & Trust

Action Item: Add "Documented Registry and Registrar Abuse Contacts" currently not included in technical safeguards.

Action Item: Add to findings citations for the findings (i.e. from Nielsen study)

Action Item: Nielsen study to date didn’t have the data to answer all of the questions. One recommendation will be for ICANN to collect certain data in the future.

Action Item: David Taylor to author paper on RPMs comparison

Action Item: Safeguards and Trust findings from high level paper - include recommendations vis-a-vis further studies

Action Item: Schedule a discussion about parking in Hyderabad

Day 2 - Thursday, 3 November - 09:00-17:00 IST | 03:30–11:30 UTC

AM Global - Global South Study

Action Item: Approach Neustar to reach other potential applicants

Action Item: Waudo, Carlton & Carlos to go thru AM Global Report to categorize the finding/recommendations into those that address: 1) the impediments to applying from the Global South and 2) promoting a greater applicant pool in the Global South

- Recommendation to translate applicant guidebook into more than 6 languages

Action Item: Staff to research whether price caps were removed in the most recent legacy contracts signed

Action Item: Invite GDD Staff that work on ARS to address how the ARS report information addresses differences in accuracy rates for new vs. legacy gTLDs

Action Item: Ask Compliance about what data it has on whether registrars are complying with the new verification/validation of WHOIS requirements
