Decisions Reached:

Action Items:

- Rec 5: Based on Kaili's suggestion, Jordyn to cite 0.3% defensive registration and for details link it to section 4.3. Review team to review Jordyn's edits and send out questions if need be.
- Rec C: Drew to add success measures, and share with the review team for approval. David/Drew to add additional language to the chapter
- Review team to submit comments on Jonathan's Substitution Analysis. Jonathan to update section as needed.
- ICANN org to share summary of public comments, and surrounding text of recommendation 9.
