Decisions Reached:

- Rec. 6: Update approved.
- Rec. 24: Approved

Action Items:

- [ ] Rec. 14: Jordyn/Jonathan suggest adding language in Choice section to discuss encouraging a diversity of new gTLD business models. The new language in the Choice section would cross-reference Rec. 14 and a new introductory sentence would be added to that effect. Jordyn to circulate update via email.
- [ ] Rec. 24: Update recommendation by changing "discussions" with "engagement"
