Stan's paper - approved

**Action Items:**

- Engage with Registry Stakeholders Group and comment on draft report
- DNS abuse discussion - use as springboard to longer discussion
Subteams to identify portions of comments that relate to their sections and go back to read thoroughly and draft responses in action item boxes.

By end of week, leadership to read comments on their sections and to contact subteam members, as needed, to gather input on the public comments.

Staff to generate list of name(s)/paper for each recommendation
