Welcome to the home of the GNSO Standing Selection Committee

This is the home of the GNSO Standing Selection Committee (SSC). The SSC is tasked, as requested by the GNSO Council, to 1), where applicable, prepare and issue calls for applications related to the selection or nomination of candidates for ICANN structures such as ICANN review teams as well as structures related to the Empowered Community, 2) review and evaluate all relevant applicants/candidates, 3) rank candidates and make selection/appointment recommendations for review and approval by Council and 4) communicate selections to all interested parties.
