Salanieta Tamanikawaiwaimaro:OCL please speal louder, audio from you is faint

Heidi Ullrich:ALAC Draft Statement on the URS - <https://community.icann.org/display/alacpolicydev/At-Large+Statement+on+the+URS>

Heidi Ullrich:Alan, was this not to be an ALAC statement?
Olivier Crepin-Leblond:new gTLD WG working on it
Heidi Ullrich:ok.
Cheryl Langdon-Orr:and three of those on the DSSA WG regularly attend and a key to the drafting of this report
Cheryl Langdon-Orr:so a no comment is OK IMO
Natalia Enciso:need a dial-out please
Cheryl Langdon-Orr:AGREE totally with OCL
Heidi Ullrich:Natalia, you are being dialed out to
Natalia Enciso:thanks
Cheryl Langdon-Orr:A supportive comment is easy to do I would have thought
Cheryl Langdon-Orr:and will reinforce what I see as SSAC's more proactive and inclusive approach to PC/s on their work (resulting from the Review of the SSAC BTW)
Ron Sherwood:I lost the connection (for the umpteenth time this morning) and our chat has disappeared. If I missed anything important please repeat.
Cheryl Langdon-Orr:excellent Sergio to hold the pen on this then...
sergio salinas porto:ok thanks olivier
Natalia Enciso:back on the audio, thanks
Evan Leibovitch:I support Alan/Alanis
Evan Leibovitch:grrr
Heidi Ullrich:Alan's statement on Whois Review Final Report advice to the Board: <http://atlarge-lists.icann.org/pipermail/alac/2012/002248.html>
Carlton Samuels:@Alan on WHOIS AoC Review. I added a note
Evan Leibovitch:I support Alan/Alan's statement but also Carlton's statement comment
Cheryl Langdon-Orr:Support for Alan on this from me
Garth Bruen 2:@Alan, amen
Rinalia Abdul Rahim:@Alan - Support!
Evan Leibovitch:in fact, I would strengthen the bit on compliance
Heidi Ullrich:ye
JJS:yes, heard you Alan
Evan Leibovitch:Good stuff, Alan
Carlton Samuels:@WHOIS AoC Review. I proposed that specifically with respect to Rec #4, the ALAC advise the Board to cleave and re-align ICANN Compliance from ICANN Legal organisation
Cheryl Langdon-Orr:est have ALAC Members vote now
Evan Leibovitch:I would like to suggest adding Carlton's comment before voting
Cheryl Langdon-Orr:Excellent Alan :-)
Heidi Ullrich:Alan, please slow down for the interpreters
Gisella Gruber-White:Please remember interpretation in progress
Evan Leibovitch:could someone please mention my comment into the record?
Heidi Ullrich:Evan, we will note it in a moment
Evan Leibovitch:K. Thanks
Garth Bruen 2:@Carlton +1
Salanieta Tamanikawaiwaimaro:we also made the call during the Public Board meeting in Prague
Evan Leibovitch:Alan, we just want to hammer the points home
Salanieta Tamanikawaiwaimaro:at least I raised it
Cheryl Langdon-Orr:that is in the Report BUT if we want to highlight it I guess it could be repeated but we need to ensure we say it (as a call out as Alan suggests)
Evan Leibovitch:it
Carlton Samuels:@Alan: I know. But I am supporting a call-out to emphasize the importance to us!
Evan Leibovitch:I'm okay with Alan's suggestions
Cheryl Langdon-Orr:friendly amendment pending then
Evan Leibovitch:to add it in the conclusion. It is a priority issue for us
Cheryl Langdon-Orr:it is ESSENTIAL and a MAIN outcome of the report ABSOLUTELY
Evan Leibovitch:yes ocl, thanks
Salanieta Tamanikawaiwaimaro:+1 JJ
Carlton Samuels:@JJS: +1. I support a timeline addition to the statement by Alan
Heidi Ullrich:Consumer Metrics Workspace: <https://community.icann.org/display/alacpolicydev/At-Large+Consumer+Metrics+Final+Advice+Workspace>
Heidi Ullrich:"The ALAC, after having reviewed the Report prepared by the Consumer Trust Working Group hereby endorses its contents and thanks the members of the working group for their work.Trust in the Internet's Naming System is of paramount importance to Internet Users. We believe that the set of metrics proposed by the working group will help track the new gTLD program according to the requirements of the Affirmation of Commitments and recommend that these are forwarded to the ICANN Board for implementation."
Cheryl Langdon-Orr:obviously the above has my TOTALLY BIASED support ;-)
Salanieta Tamanikawaiwaimaro:+1
Rinalia Abdul Rahim:+1
Evan Leibovitch:fwiiw, I was a very cynical participant in the cccl wg
Gisella Gruber-White:GNSO Council call on 13 September
Evan Leibovitch:I am now supportive of the effort
Carlton Samuels:@ALAC Statement on Consumer Metrics Report: +1
Alan Greenberg:Next GNSO Council meeting is on Sept 13th.
Rinalia Abdul Rahim:That's a strong recommendation, Evan. :)
Carlton Samuels:@Evan: So noted :-)
Evan Leibovitch:I am quite satisfied that it addresses end user issues
Carlton Samuels:@Alan: piffle!
Gisella Gruber-White:Avri has joined the Adobe Connect
Salanieta Tamanikawaiwaimaro:Fair comment Alan
JJS:@Carlton, translation required for "piffle", please :-)
Heidi Ullrich:New gTLD WG request for extensions for the charter: <https://community.icann.org/display/atlarge/Letter+to+ALAC+on+At-Large+New+gTLD+WG+charter+item+2>
Carlton Samuels:@JJS: You know the froth that sometimes comes from the mouth of an angry speaker?
JJS:yeth, saith he, wiping his mouth
Cheryl Langdon-Orr:the request for extension to Charter is worthy IMO and I trust ALAC will support this....
Salanieta Tamanikawaiwaimaro:I am sorry the audio is quite disturbing

Carlton Samuels:or there is a Texas saying: All hat, no cattle.
Salanieta Tamanikaiwaimaro:muffled sound; echo on adobe
Heidi Ullrich:Welcome, Sebastien
Carlton Samuels:The criticism is weak and not of any substance
Alan Greenberg:My WHOIS statement re-write: Replace the closing paragraph with: The ALAC notes that the Review Team's deadline for implementing Recommendation 15 has already passed. The Board needs to move quickly and decisively on this report and in particular on Recommendation 4 regarding the Compliance reporting structure. Moreover, the ALAC calls for such Board action no later than the end of the Toronto ICANN meeting..
Rinalia Abdul Rahim:Why one year and not sooner, Avri?
Carlton Samuels:@Alan on revised final para of WHOIS AoC Review Statement: Works for me
Heidi Ullrich:Alan, is this the correct revised text: <https://community.icann.org/display/alacpolicydev/ALAC+Advice+on+WHOIS+Review+Team+Report++August+2012>
Rudi Vansnick:i agree with Avri
Carlton Samuels:@Avri on extension of ANgWG Charter: I agree the timeline and support extension
Rinalia Abdul Rahim:@Avri, Support extension - important work.
Alan Greenberg:@Heidi In essence yes, but needs some cleanup. I will do it and let you know when complete.
Heidi Ullrich:Olivier, may we note a unanimous agreement of the Charter extension?
Heidi Ullrich:Thanks, Alan.
Heidi Ullrich:Thanks, Olivier
JJS:Matt, on item 7 could you add my suggestion for a timeline, and Alan's agreement to include that in his revised draft? Thanks.
Heidi Ullrich:Alan, could you please let us know when you are finished?
Heidi Ullrich:Matt will then load the wiki.
Cheryl Langdon-Orr:is not the "... by Toronto..." nit a timeline JJS
JJS:good, thanks.
Cheryl Langdon-Orr:it reasonably 'reajusts the timeline from the report YES
Gisella Gruber-White:PLEASE state your names - the interpreters are not always able to identify the voices
Cheryl Langdon-Orr:re-ajusts
Yaovi Atohou 2:OK
Yaovi Atohou 2:Clear
JJS:my remark for Matt was not in addition to our discussion, but just for the minutes of our meeting.
Gisella Gruber-White:Sebastien is only on the Adobe Connect audio
Sebastien:I can't unmute myself on AC
Gisella Gruber-White:@ Sebastien - you should be able to click on mic to unmute
Heidi Ullrich:At-Large Registrants Rights and Responsibilities - <https://community.icann.org/display/atlarge/At-Large+Registrants+Rights+and+Responsibilities>
Sebastien:Thanks Gisella
Cheryl Langdon-Orr:Holly will be an excellent Chair for this WG
Rinalia Abdul Rahim:+1
Cheryl Langdon-Orr:it is an area of particular passion for her
Carlton Samuels:@ RR_WG Chair: I fully support Holly!
Cheryl Langdon-Orr:passion nd experience
Alan Greenberg:Now update: <https://community.icann.org/display/alacpolicydev/ALAC+Advice+on+WHOIS+Review+Team+Report++August+2012>

 Olivier Crepin-Leblond:thanks all who need to go
 Heidi Ullrich:RG Workspace: <https://community.icann.org/display/newgtldrg/At-Large+New+gTLD+Review+Group+Workspace>
 Olivier Crepin-Leblond:I've been dropped again.
 Olivier Crepin-Leblond:listening through Adobe but cannot speak
 Heidi Ullrich:Adigo is dialing you back, Olivier
 Heidi Ullrich:Carlton is speaking while we get Olivier back
 Olivier Crepin-Leblond:back
 Heidi Ullrich:Next wG is Academy WG - Sandra.
 Heidi Ullrich:very faint, Olivier
 JJS:Olivier can't hear you.
 Olivier Crepin-Leblond:it must be the line...
 Wolf Ludwig:You are so distant today, Olivier!
 Salanieta Tamanikawaiwaimaro:Internet NZ
 Olivier Crepin-Leblond:English Telecom System....
 Salanieta Tamanikawaiwaimaro:lol @OCL
 Wolf Ludwig:Or better: you "sound" ...
 Heidi Ullrich:Yaovi has asked Dev for a message to the RALOs on the ALAC objections process.
 Salanieta Tamanikawaiwaimaro:yes as a form of Memorandum from the ALAC
 Salanieta Tamanikawaiwaimaro:to the RALOs
 Salanieta Tamanikawaiwaimaro:we had forwarded Dev's Email some time ago
 Silvia Vivanco:Yes, Secretariat's meeting is tomorrow
 Yaovi Atohou:Thanks Dev
 Carlton Samuels:@Dev: Refer to the wiki where the objection process is recorded and the email list!
 Heidi Ullrich:That is better, Olivier!
 Salanieta Tamanikawaiwaimaro:roaring with laughter
 Gisella Gruber-White:@ Olivier - we are calling you again
 Salanieta Tamanikawaiwaimaro:awwww poor OCL
 Wolf Ludwig:We allow you to shout on us, Olivier ;-)
 JJS:Olivier, try coming OUT of the submarine
 Olivier Crepin-Leblond:this is terrible. Same phone, different part of the world
 Heidi Ullrich:Dialing out to Olivier
 Carlton Samuels:@CLO: Endorsed, the handling of Internet NZ
 Olivier Crepin-Leblond:I am back
 Dev Anand Teelucksingh 2:Thanks, Cheryl
 Wolf Ludwig:Good point, Cheryl!
 Natalia Enciso:need a dial out please
 avri:i suggest that in the next round, they will look at comments from ALAC as a non-threat.
 Cheryl Langdon-Orr:not sure I agree with you Alan but there you go I DO think it is proof of concept
 avri:and thus approval should be easier
 Sivasubramanian M:Olivier is still in the submarine :-)
 Wolf Ludwig:There is a general understanding here that common names 7 terms like "bbok", "apple" etc. should be objected
 avri:Comments, for those reading the list, can also be positive.
 Cheryl Langdon-Orr:the closed Generics do need dealing with BUT it was OUT of scope for us
 Carlton Samuels:@Alan: I actually think opposite to Alan. We have a narrow band within which substantive comments are to be addressed!
 Carlton Samuels:I view it as maturity of the At-Large NOT to make frivolous comments!
 Cheryl Langdon-Orr:agreed Carlton
 avri:In terms of scope, forgive me for not remembering, but while Objections are scoped, why are comments scoped.
 Cheryl Langdon-Orr:yup Alan correct but we should as part of ICANN community make some noise
 avri:ALAC is one of the mechanisms that defines public interest for the board
 Carlton Samuels:Nooo, comments are not scoped. But to the extent you make comments for consideration and not as vanity, why bother?
 Cheryl Langdon-Orr:but our objection processed handled it FINE in my view
 avri:Carlton: because evaluation teams read comments?
 Dev Anand Teelucksingh 2:gTLD Review Group decisions regarding the comments on objection grounds on the ".book" application by Amazon EU s.a.r.l
 : <http://mm.icann.org/pipermail/newgtldrg/2012-August/000114.html>
 Alan Greenberg:@Cheryl - certainly. But it is not a facet of the formal objection process.
 Cheryl Langdon-Orr:yes supprt to ALAC supporting all noise on this issue from MY POV
 Cheryl Langdon-Orr:yes understood Alan
 Salanieta Tamanikawaiwaimaro:yes
 Rinalia Abdul Rahim:Very clearly, Sandra.
 Olivier Crepin-Leblond:Alan -- do you need me to come back to you afterwards?
 Alan Greenberg:@Carlton, Guess I disagree. Yes, maturity not to make frivolous comments, but strange that given the number and range of applications and TLD strings (and number of comments on public forum), strange that there are not at least a few substantive comments.
 Alan Greenberg:no, sorry. Hand down now.
 Carlton Samuels:@CLO: +1. The comment had substance but wrt the RG remit in context of the At-Large Objection Remit and Mgmt Framework it was acknowledged and coursed in the right direction. This [At-Large] comment was getting the attention it deserved
 Wolf Ludwig:There was extensive discussion on the WG list last week -- ongoing ...
 Salanieta Tamanikawaiwaimaro:+1 Sandra - excellent work
 Wolf Ludwig:Head up, Sandra!
 Carlton Samuels:@Alan: There was a really good classification system published someplace....I have a hard copy but I bet you Dev could find the link...
 that deftly explained why, I think!
 Carlton Samuels:Excellent work, Sandra!
 Heidi Ullrich:<https://community.icann.org/display/atlarge/Universal+Acceptance+of+all+TLDs++Draft+text+for+Flier++August+2012>
 Heidi Ullrich:Welcome, Naela!
 Matt Ashtiani:welcome, naela
 Heidi Ullrich:We also have Nadia Sokolova from staff with us.
 Cheryl Langdon-Orr:in Prague yes

Wolf Ludwig: Sorry but I have to leave now as well.
 Cheryl Langdon-Orr: though I sat in the ccNSO one night the ALAC one I assume it was the same
 Heidi Ullrich: Bye Wolf.
 Cheryl Langdon-Orr: bye Wolf
 Wolf Ludwig: Bye everybody!
 Carlton Samuels: Take care, Wolf
 Cheryl Langdon-Orr: The flyer would be useful to distribute it through our ALSes IMO
 Cheryl Langdon-Orr: ut = Out
 Rinalia Abdul Rahim: Thanks, Naela.
 Heidi Ullrich: The flyer text is on the wiki : <https://community.icann.org/display/atlarge/Universal+Acceptance+of+all+TLDs+-+Draft+text+for+Flyer+-+August+2012>
 Heidi Ullrich: Comments can be collected on this wiki.
 Heidi Ullrich: Naela and Nadia, what is the deadline for comments, please?
 Dev Anand Teelucksingh 2: Q : Thanks Naela, have any software developers contacted ICANN directly with the re:
 Yaovi Atohou: @JJS +1
 Dev Anand Teelucksingh 2: Thanks Naela, have any software developers contacted ICANN directly? Any idea how many software developers have used the libraries on GitHub?
 Salanieta Tamanikawaiwaimaro: lost audio on adobe for a bit - thanks Naela
 Salanieta Tamanikawaiwaimaro: lol OCL
 Salanieta Tamanikawaiwaimaro: almost 4am here
 Heidi Ullrich: Please add your comments by mid-September at the latest
 Sivasubramanian M: ICANN could develop a TLD "library" similar to a library of country names used in drop down lists in forms, for the benefit of Developers, so that no TLD is left out in application development of any kind
 Sivasubramanian M: that is for naela
 Salanieta Tamanikawaiwaimaro: good idea Siva
 Nadia Sokolova: It looks like we got cut off
 Olivier Crepin-Leblond: dropped -- unbelievable
 Cheryl Langdon-Orr: yup ALAC calls are designed for us here in the Pacific => NOT
 Gisella Gruber-White: We are dialling out to Olivier again
 Naela: Nadia's answer was to submit comments by beginning-mid September
 Olivier Crepin-Leblond: thanks
 JJS: Gisella, line lost...
 Heidi Ullrich: Dialling back
 Salanieta Tamanikawaiwaimaro: My sincere apologies, I will have to bid thee all adieu
 Sivasubramanian M: the "library" could be periodically updated by icann with the introduction of every new tld in the root
 Naela: and yes for the PDF, we will provide that on the wiki
 Heidi Ullrich: ok, Jean-Jacques
 Naela: thanks everyone for your time
 Olivier Crepin-Leblond: next agenda item is 12
 Gisella Gruber-White: @ JJS, we are dialling out to you again
 Gisella Gruber-White: @ Sala - thank you
 Dev Anand Teelucksingh 2: 12 - At-Large Delegates to the 2013 NomCom: Review and Discussion of Candidates
 Salanieta Tamanikawaiwaimaro: I will leave my Adobe on
 Olivier Crepin-Leblond: I was
 JJS: am following on Adobe Connect with audio
 Olivier Crepin-Leblond: and now I am on hold
 Alan Greenberg: Given that we do not have a NomCom chair, the timing is not nearly as critical.
 Olivier Crepin-Leblond: with music...
 Heidi Ullrich: NomCom candidates: <https://community.icann.org/display/atlarge/ALAC+Voting+Delegates+to+the+NomCom+for+2013+Workspace>

 Olivier Crepin-Leblond: yes
 Olivier Crepin-Leblond: so 4 candidates to endorse; 1 selection to make on one region
 Gisella Gruber-White: Olivier is back
 Matt Ashtiani: he said yes
 Heidi Ullrich: ok
 Salanieta Tamanikawaiwaimaro: lol
 JJS: am back on the call.
 Salanieta Tamanikawaiwaimaro: coin toss [kidding]
 Sebastien: May I suggest that you also wait for the current decision of the NomCom?
 Carlton Samuels: @Seb: Do you mean the decision on the NomCom Chair for 2012?
 Heidi Ullrich: <https://community.icann.org/display/atlarge/ICANN+45+-+At-Large+Toronto+Meeting+-+October+2012>
 Salanieta Tamanikawaiwaimaro: thanks
 Sebastien: @Carlton yes but also the choice made by this year Nomcom
 Cheryl Langdon-Orr: why Seb unless either one of the ALAC nominees are being appointed OR NomCom is to be disbanded///
 Heidi Ullrich: Friday sessions have been approved.
 Heidi Ullrich: but likely very limited services
 Alan Greenberg: Note that there is a Friday ALAC meeting scheduled, so departures should accommodate that.
 Cheryl Langdon-Orr: excellent Heidi and were used to litations
 Heidi Ullrich: Thanks to all of you for your input into new agendas
 Heidi Ullrich: Thanks, All!
 Heidi Ullrich: <https://community.icann.org/display/atlarge/At-Large+ALAC+and+RALO+Elections%2C+Selections+and+Appointments+2012>
 Carlton Samuels: @Seb: Thanks for the explanation.
 Heidi Ullrich: AFRALO: Tijani has been re-appointed to the ALAC
 Sebastien: Are you sure that no one will be selected by nomcom is also candidate to join the next Nomcom?
 Cheryl Langdon-Orr: if one of the LACRALO filed of nominess was also a candidate for Chair I would have hoped they would have disclosed that
 TO LACRALO and ALAC
 Cheryl Langdon-Orr: poor form if they don't IMO

Carlton Samuels:@delegates to ALAC from AFRALO, NARALO, APRALO and EURALO. Congratulations!
Cheryl Langdon-Orr:and Yes I know at least one was considering it I do not know if they did apply
