09:13:04 From Evin Erdodu : At-Large SubPro workspace: https://community.icann.org/x/6a_jBg
09:13:08 From Marita Moll : With respect to the RPM issue, there has been a slide deck sent around for discussion at CPWG. Mostly of the recommendations are not affecting endusers -- so only a few to consider and Greg has made some suggestions
09:13:48 From Evin Erdodu : At-Large GeoNames Survey: <https://forms.gle/skiGiio5n4UXu9G57> (deadline: 30 April)

09:16:43 From Jonathan Zuck : Good point!
09:16:44 From Cheryl Langdon-Orr : and Yes the Consensus Play Book now released is part of the PDP 3.0 as I referenced in my presentation to CPWG and the associated .PPT . However the Consensus Play Book , relevant to ALL parts of ICANN as a guide for use, and not just to the GNSO PDP Process, So we ALL need to get into the Play book and spread the word... (this can count for the GNSO Liaison update, other than a short intervention
09:17:10 From Cheryl Langdon-Orr : The Play book was developed by an external Consultant
09:17:28 From Cheryl Langdon-Orr : COnsultant this needs to be corrected YES OCL
09:17:36 From Cheryl Langdon-Orr : Indeed we were
09:17:41 From Cheryl Langdon-Orr : me 3

09:18:29 From Alan Greenberg : We are in good company. The SSAC doesn't exist either.
09:18:36 From Cheryl Langdon-Orr : Yes @Heidi, I was also interviewed, so the issue is no doubt an errata to be corrected
09:18:57 From Cheryl Langdon-Orr : They DO need to fix ta;; that
09:19:34 From Heidi Ullrich : Noted, Cheryl.
09:19:50 From davekissoondoyal : Thanks @Evin for reporting concerning the AFRALO all applications
09:20:11 From davekissoondoyal : ALS
09:20:17 From Cheryl Langdon-Orr : @Alanm and a formal; note from this meeting via stff seems the best way to do so. I will also raise in in the GNSO Council call... As a followup on the reach out by Staff
09:20:59 From Heidi Ullrich : The reports page is at: <https://community.icann.org/display/atlarge/At-Large+Reports>

09:27:59 From Alfredo Calderon (ISOCPR) : As you all may know, Fellowship selectees have been deferred til ICANN70.
09:28:37 From Alfredo Calderon (ISOCPR) : Eduardo, was in the Planning Webinar. He might join in a couple of minutes.
09:31:26 From Joanna Kulesza : re: policy platform location: possibly also developing further the AtLarge WordPress blog.
09:31:59 From Judith Hellerstein : Can we make sure that all at large content has Captions
09:32:08 From Cheryl Langdon-Orr : I do prefer the housing within ICANN Learn if possible it will drive more of our people there as well.
09:32:12 From Alfredo Calderon (ISOCPR) : @Jonathan, is it available to look at?
09:33:25 From Cheryl Langdon-Orr : Yes please JZ I am keen to browse the test
09:33:34 From Dev Anand Teelucksingh (TTCS) : I do prefer the Wordpress option since content updates can be automatically shared to social media and to newsletters
09:33:58 From Dev Anand Teelucksingh (TTCS) : as well as embedding presentation slides in Wordpress as well
09:34:07 From Alfredo Calderon (ISOCPR) : @Jonathan, I understand. I will appreciate it.
09:34:21 From Dev Anand Teelucksingh (TTCS) : icann learn only works with persons that are embedded in icann
09:35:29 From Justine Chew : @Jonathan, when are you running your PowerPoint workshop?
09:35:38 From Cheryl Langdon-Orr : Its for Policy Development (Platform for that) @ Dev, so not an outreach and engagement tool so I don't see that as an issue for this

09:35:52 From Cheryl Langdon-Orr : Accessibility should ALWAYS be considered

09:36:02 From Vrikson Acosta : Greetings everyone. Sorry I'm late. Internet issues in Narnia

09:37:56 From Alfredo Calderon (ISOCPR) : Accessibility check in Powerpoint - <https://support.office.com/en-us/article/improve-accessibility-with-the-accessibility-checker-a16f6de0-2f39-4a2b-8bd8-5ad801426c7f>

09:38:05 From Joanna Kulesza : @Justine, there doesn't seem to be a specific date set at this point.

09:38:26 From Dev Anand Teelucksingh (TTCS) : @cheryl if we want to engage als members and reach public, icann learn isn't friendly and to date icann learn content has yet to be compelling

09:38:46 From Dev Anand Teelucksingh (TTCS) : and mobile friendly

09:39:09 From Alfredo Calderon (ISOCPR) : @Jonathan, let's setup some Capacity Building on using Tools to increase outreach.

09:41:33 From Jonathan Zuck : Here's the link to the sample course I built for the ICANN Learn platform, using powerpoint and a free tool:

09:41:36 From Jonathan Zuck : <https://publish.udutu.com/published/launch/90878/Course187186/Launch.html>

09:41:43 From Heidi Ullrich : Please see the At-large Capacity Building and Resources Dashboard: <https://community.icann.org/display/atlarge/At-Large+Capacity+Building+and+Resources+Dashboard>

09:41:44 From Daniel K. Nanghaka : Hi Everyone

09:41:48 From Roberto : Thanks JZ

09:42:27 From Matthias M. Hudobnik : Indeed thx JZ

09:42:53 From Maureen Hilyard (ALAC) : @Dev - ICANN Learn also enables other ICANN community members to access our courses. But as Jonathan has pointed out, there are two levels of access to our courses - and we are trying to blend these two levels to ensure that the At-Large community gets a course that is relevant to us and our ALSes

09:42:57 From Jonathan Zuck : Most of the SOs have an "Introduction to..." course so we should too

09:43:03 From Anahí Menéndez Ruiz (AR) : @jonathan I support @Alfredo 's motion

09:43:38 From Alfredo Calderon (ISOCPR) : @Jonathan, thanks for the link. Looks promising.

09:43:52 From Vanda Scartezini : thanks Joanna

09:44:17 From leahsymekher : Unfortunately I have to drop off due to another meeting in a few minutes. Thanks All. Leah Symekher

09:44:30 From Maureen Hilyard (ALAC) : Nice to see you Leah

09:45:05 From leahsymekher : Thank you Maureen.

09:45:21 From Daniel K. Nanghaka : There is a lot that is being done in Capacity Building, the course are great

09:45:31 From Marita Moll : Back now. Sorry for the gap. I hate the way zoom erases the chat in between but I was able to follow that meeting on RTT (as I do not have 2 devices) which was useful

09:45:43 From Jonathan Zuck : The 4th is DNS Abuse with me and Drew Bagley who will talk about all of the COVID related abuse

09:46:26 From Jaewon Son : glad to have those beginner's guide :) very useful!

09:47:18 From Heidi Ullrich : There is also a new workspace entitled Participation Toolkit: <https://community.icann.org/display/atlarge/At-Large+Participation+Toolkit>

09:47:48 From davekissoondoyal : Thanks @Joanna +1

09:48:53 From Heidi Ullrich : The next Capacity Building WG call is this Thursday

09:48:57 From Joanna Kulesza : Thank you!

09:49:00 From Heidi Ullrich : And the next OE SC call is tomorrow

09:49:18 From davekissoondoyal : Thanks @Heidi

09:49:19 From Loris Taylor : Great Beginners Guide!

09:50:05 From Heidi Ullrich : The O/E SC agenda with call details (agenda to be updated) is at: <https://community.icann.org/display/atlarge/2020-04-29+ALAC+Subcommittee+on+Outreach+and+Engagement>

09:50:12 From Judith Hellerstein : @marita, you can save the chat so you will have the old chat when you leave that call

09:50:25 From Maureen Hilyard (ALAC) : The Beginners Guides are great but a little dated and need updating, which is why we are looking at putting something online so that it can be updated regularly

09:50:32 From Alfredo Calderon (ISOCPR) : On Thursday we also have the Capacity Building Webinar Team Weekly call, lead by Hadia.

09:51:02 From Vanda Scartezini : yeah Alfredo in the agendas I believe

09:51:06 From Judith Hellerstein : I have to leave active participation at the top of the hour as I will go on another call but will leave this open and go on another device

09:51:12 From Heidi Ullrich : The link to the draft SC on O/E FY21 strategy is at: <https://community.icann.org/display/atlarge/ICANN+FY21+At-Large+Virtual+Outreach+and+Engagement+Strategy+Workspace>

09:51:20 From Heidi Ullrich : Comments are open through 30 April

09:51:49 From Marita Moll : @Judith -- thanks -- but I was really talking about the chat that happened in between -- it's just nuisance, that's all, that zoom can't fix that

09:52:46 From Heidi Ullrich : @Natalia, that is not my daughter playing ;)

09:52:59 From Vanda Scartezini : kkkk

09:53:46 From Judith Hellerstein : @marita, they have not devoted time to that since it is low on their priority list

09:54:16 From Filina Natalia (EURALO Secretary) : @Heidi!!!!!! I am happy again!-))) Send you both my hugs!!! and many thanks!

09:55:07 From Vanda Scartezini : to you too Natalia! we still in quarantine but with a good plan

09:55:37 From Judith Hellerstein : Yes we are also still in lockdown as well

09:55:44 From Justine Chew : Video King?

09:56:05 From Filina Natalia (EURALO Secretary) : @Vanda! My warmest hugs to all of you! miss you

09:56:13 From Jonathan Zuck : Seems kind of restrictive, Judith. Just King is fine.

09:56:15 From Vanda Scartezini : to open up step by step with clear protocols agreed with each economy sector as our Software Association is spread the protocols around

09:56:24 From Jonathan Zuck : Justine! Wow, I keep making that typo!

09:56:34 From davekissoondoyal : yes video king @Jonathan

09:56:55 From Vanda Scartezini : thanks Daniel

09:57:13 From davekissoondoyal : Thanks @Daniel

09:57:26 From Dev Anand Teelucksingh (TTCS) : I do have some comments on this - but I submit on the O&E call

09:59:26 From Abdulkarim Oloyede : @ Daniel. I think you need to integrate how you intend to interface with the RALOs on this cos I think OE and are best driving by the RALOs

09:59:44 From Roberto : I am sorry but I need to leave for 10' on the top of the hour - will be back

10:01:19 From Jonathan Zuck : I threw my ideas into the mix!

10:01:21 From davekissoondoyal : I was doing a search and found that 46 videos were uploaded by @Glen on Youtube - https://www.youtube.com/playlist?list=PLHeYfhcpf4QSNbG72YSIHV67TeEKC_Ag0

10:01:49 From Jonathan Zuck : <http://www.circleid.com/posts/20200427-icann-attorney-generals-ends-means-and-unintended-ends/>

10:05:47 From shreedeeep rayamajhi : +1 Leon

10:05:53 From Glenn McKnight, Foundation for Building Sustainable Communities : A quick survey of 20 members revealed serious digital divide in internet speeds and costs

10:05:54 From Nadira AL-ARAJ : thank you for the consideration of this issue

10:06:16 From Nadira AL-ARAJ : yes Glenn

10:06:26 From Cheryl Langdon-Orr : Thanks Léon greatly appreciate this update and look forward to the public Board Meeting and meeting the next challenges ahead...

10:06:27 From Nadira AL-ARAJ : and unstable internet connection

10:08:07 From davekissoondoyal : We already voiced out that the first step is for ICANN to fund internet access for the members to participate. At least ICANN can do this for the numerous hours we are dedicating for icann

10:08:10 From Joanna Kulesza : thanks so much Leon!

10:08:13 From Aris Ignacio : Thanks Leon, and that's really great..

10:08:28 From davekissoondoyal : Thanks @Leon

10:08:31 From Abdulkarim Oloyede : Thanks Leon. Thanks for bringing this issue up. It is a critical issue and am glad you are listening and ready to listen to this.

10:10:56 From Satish Babu : @Abdulkarim, certainly. Sebastián had mentioned volunteer fatigue/burnout as an issue.

10:11:53 From Abdulkarim Oloyede : Yes and Cost of participating and other issues around connectivity.

10:12:01 From Glenn McKnight, Foundation for Building Sustainable Communities : Just look at the survey speeds and cost

10:13:56 From Cheryl Langdon-Orr : the clashes of other calls are well just clashes

10:14:48 From Glenn McKnight, Foundation for Building Sustainable Communities : Interesting how Airbnb has recognized the financial losses of their Superhosts and the staff gave 1million and the owners gave 7 million to a special fund to help out their Superhosts. ISOC allocated 2 million special fund so did Mozilla etc

10:15:27 From davekissoondoyal : Thanks @Glen for this info

10:16:30 From Glenn McKnight, Foundation for Building Sustainable Communities : @daniel nope

10:16:44 From Glenn McKnight, Foundation for Building Sustainable Communities : This is what I have been speaking on the lists about

10:17:07 From Abdulkarim Oloyede : @ Dainel No because it goes to the back of the queue

10:20:22 From Abdulkarim Oloyede : @Glenn atleast you now know where to channel it through

10:22:57 From Gisella Gruber : <https://community.icann.org/display/atlarge/ICANN68+-+June+2020>

10:23:54 From Nadira AL-ARAJ : since this meeting is policy meeting are you working with other SO/AC for crossing community discussions
